IN MEMORY

of the late Fred Pauline, March 6, 1946.

I cannot say, and I will not say that he is dead. He is just away! With a cheery smile, and a wave of the hand.

He wandered into an unknown land And left us dreaming how very fair

It needs must be, since he lingered there. And you — oh you, who will not let years

For the old-time step and the glad return. Think of him faring on, as dear in the love of there, as the love of here;

Think of him still as the same. I say:

He is not dead — he is just away. — James Whitcomb Riley

Sadly missed by his wife, Mrs. Lou Pauline.
