EKE-ONOMY

A word not in the dictionary but meaning false economy - to eke out small savings by denying yourself the best in life.

Just try our cleaning service once and you'll find that home cleaning methods save you nothing when your clothing will stay clean so much longer with our methods.

CLARENCEVILLE NEWS

By MRS. AXEL RUTILA
TELEPHONE FARM. 1124-M

Troop CL 2 has disposed of the newspapers that the scouts have been collecting the past few months, the proceeds going toward their Washington trip fund. The boys will continue gathering paper regularly instead of having one-day drives, thus carrying out a periodic collection of old papers from house to house, which, they believe, is a more satisfactory arrangement for all concerned.

Troop CL 2 will participate in the Detroit Area Council Show known as "Tomorrow's Men". This cavalcade of Scouting, which will consist of 5,000 actors and 12 grand scenes, will be held at the State Fair Coliseum at 8:00 p.m. on the evenings of Friday, April 11, and Saturday, April 12. The troop will demonstrate first aid treatment to victims in the disaster scene. Their particular assignment will involve simulated wounds.

Mrs. Platt, Mrs. Blatter, Mrs. Woodner, Mrs. Thornton, Mrs. Atwood, Mrs. Laehn and Mrs. Van Camp attended the lecture on the care of shrubs, etc., given by Mr. Gregg of Michigan State Extension Service, at Wayne, Michigan, recently. Mr. Gregg is retiring this spring, but he is expected to give a pruning lecture in the district before doing so, the date to be announced later.

Mrs. Frank Strye entertained the members of the Daughters of Isabella and friends at her home on Cassiassee last Thursday afternoon.

At the recent Father and Son banquet given by the Order of the Eastern Star in Farmington, little Bobby Barnes and Carol Russell entertained the gathering with readings.

Mr. and Mrs. Dobany have taken up residence in their former home on Colwell. The Lyle Scholtz family who have resided there for several years moved to their new home in Royal Oak.

We are sorry to report Mrs. Frank Carter's illness and hope for her early recovery.

Mrs. Dave Ryall entertained the members of her card club at luncheon last Tuesday.

Mrs. John Kaufmann of Nine Mile Road was honored at a surprise birthday party on February 21, when Mrs. Rauss, Mrs. Rule, Mrs. Ryall, Mrs. Zingelmann, a group of former girl chums, met at the Kaufmann home for the occasion.

The community was deeply saddened when Earl Berezsky, 20 year old son of Mrs. Neta Berezsky of Jefferson Avenue, was fatally injured in an automobile accident at Lahser and 14 Mile Road. Earl was discharged in October after occupational service in Germany. He was called home on account of the severe illness of his father, Alvin, who passed away in October. Earl attended our High School, previous to being called to duty.

The final plans for the Mother and Daughter Banquet on Wednesday, March 12, were made. The affair will be held at the High School at 8:30 p.m.

A committee headed by Mr. Hoppe attended the Lincoln Township Board meeting on Monday evening to ask for a street light to be placed in front of the High School. The Board agreed to placing the light.

The Cubs of CL 1 held their pack meeting for February on Friday evening at the High School. Skits on the theme "Transportation" were presented and were the best ever shown.

A large gang went along with the basketball team to Grosse Ile on Friday night. Mr. and Mrs. Hoppe, Mrs. Satterfield and Mr. and Mrs. Woodcox were among the groups who went along. A nice school spirit.

Mr. and Mrs. Art Walsh entertained a group of friends at dinner last Friday, among them being Mr. and Mrs. Atell of New York who were en route to Florida.

Mrs. Trounstead and Mrs. La Polito hiked with their Girl Scouts from the High School across the Rouge to Mrs. Trounstead's home where they ate very lavishly, after which they square danced. Mrs. Hatto assisted with the group.
