tors, debating, forensic and advisor for the school annual.

A group of property owners from the Noble school area appeared before the Board to request that a fence be placed around the Noble school and play ground to keep the children on the school property. Howard Warner moved that the question be referred to Superintendent Duncanson and that he report back with recommendations to the Board.

The Board discussed the proposed schedule for the year 1947-48. It was decided to go on a 10 month schedule instead of 9 1/2 months schedule as in the past. The date of school opening was tentatively set for September 2 with a teacher's institute.

TICKETS STILL
AVAILABLE FOR
BENEFIT PARTY

Put a ring around the date, so you'll not forget that Friday of next week, May 23, is the day you may win a door, drawing or table prize at the Spring Card Party, given by the Farmington Garden Club. You probably have both the white and rose colored tickets by now. If not, there are some still available. The white admission tickets permit you to enjoy a delicious luncheon at the Farmington Town Hall at 1:00 p.m., and to play cards until four. There will be a table prize for each of the four tables. At four o'clock the special drawings will be held. These tickets are in charge of Mrs. John O'Brien of 29815 Green Acres.

The rose colored tickets are for those who want to participate in the special drawing, but who are unable to attend the luncheon or play cards. They may attend the drawing, however. Many are buying both types of tickets for additional opportunities to win one of the beautiful prizes. The drawing tickets are in charge of Mrs. Charles James on Shawansee. Both types of tickets are available at the Farmington Enterprise office, also.

Space does not permit the listing of all the wonderful things you might receive at the party — an oil painting by a recognized artist, a crystal vase, pressed flowers, orders for flowers, deluxe dinner for two at a Sea Food House, a portable radio — and on and on.

You just can't lose on this party, for even though you do not take home a thing, you will provide many hours of easy reading for a veteran who must remain flat in his bed these beautiful spring and summer days. Proceeds of the party are to buy just as many projector books and films as possible for the new units of Veterans' Hospital, Dearborn.

TO BE DECORATED
MEMORIAL DAY**

This year, as in the past, Groves-Walker Post 246 of the American Legion will place a flag for Memorial Day on the grave of every known veteran.

The location of some of the graves is unknown to the committee. If you know of any veteran's grave that has been missed, or the location of any new burials, will you please notify Carl Goers, and the committee will see that a flag is placed on the grave.

The flags are placed in the North Farmington, Quaker, East Farmington, Clarenceville, West Farmington and Oakwood Cemeteries.

GOOD RESPONSE
GIVEN FORMATION
OF CUB PACK

Members and friends of the congregation of Farmington's First Baptist Church are happy to report initial success in the sponsorship and conduct of Cub Scout Pack No. 35. Cubmaster is Donald J. Bowman of Valleyview. Pack Committeemen are George H. Seltz, A. Russell Wright, and Ivan B. Clarke. The cooperation between the Cubmaster, Committeemen, and Den Mothers has contributed to the success of the venture. There are some forty-five boys in the Pack, meeting in Dens in the following homes: Mrs. David T. Presley of 22594 Brookdale, Mrs. John Wynn of 21412 Randall, Mrs. Charlotte Scott of 21609 Middlebelt, Mrs. Elia Dickinson of 37650 Howard Rd., and Mrs. Fred B. Fisher of 32555 Farmington Rd. Boys living in these areas who are nine, ten, or eleven years old are invited to join the Pack. More Dens will be opened for interested boys outside the areas mentioned.

Cub Pack No. 35 looks forward eagerly to the first Pack meeting, which will take place in the social hall of the Baptist Church on Thursday evening, May 22, at 7:30. It is hoped that Scout Executives Ed Leland and William Wells of Pontiac will attend as guests. The general public is cordially invited.

Falcons Lose

(Continued from Page One)
Cole walked and stole second. Mitchell singled to left scoring both Rutenbar and Cole. Horvath then bled down to end the inning by forcing Melmon and Campbell to pop out, and striking out Wick. The score at the end of the first half of the first inning — Northville 3 — Farmington 0.

Farmington was unable to score until their half of the fourth inning when they drove their sole run across. The score came when Jack Hinebaugh, Farmington second baseman, drove a long double and scored from second on Gene Schoefter's single.

The Falcons continued to out-hit Northville throughout the game but were unable to launch enough of them for a score. The Falcons made two errors to their opponents one, the left Falcon error accounting for a Northville run. However, Northville got two earned runs in that inning, enough to win the game.

The Falcons next game will be against Clarenceville this Friday afternoon May 16 at Clarenceville. Farmington defeated Clarenceville two weeks ago by a score of 4 to 0.
