Hunt of Power Avenue, Friday evening, May 9, at a candlelight ceremony in the First Methodist Church, which was beautifully decorated with white flowers. Rev. A. Stanley Stone performed the ceremony.

The bride, given in marriage by her father, wore white satin with a fingertip veil, and carried a shower bride bouquet. She was attended by her sister, Mrs. Raymond L. MISS JUNE TOTH
GIVES FINE
MUSICAL PROGRAM

Last Thursday's performance given at the Woman's City Club by Miss June Beverly Toth, was a rich and well balanced program, typical of the versatility of this accomplished young artist.

The familiar strains of Beethoven's Sonata and Brahms' Rhapsody in G fell very pleasantly on the ear. Bachman's Prelude in G Minor was handled with great assurance and richness. The audience was held spellbound by the sure strength of this young girl's performance.

The "light" "Uncle Remus" by MacDowell offered pleasing contrast, and "Serenade to a Doll," another color and texture in the bouquet of music being gathered for her listeners. The grand concerto in A Minor by Grieg, given by June Toth, accompanied by Mr. Bertman Bell on another piano was a beautiful and brilliant final offering.

It is understood June is going East with her parents, Mr. and Mrs. Toth and Mr. and Mrs. Bell, for further study.

Falcons Second

(Continued from Page One)
Falcons broke the nothing to nothing score when speedy John Greco singled and then stole second and third. Horvath then came through in the cleanup position with a sharp single along the third base line, scoring Greco with the run which proved to be the decisive margin of victory.

The Falcons' third win in as many games was played on their home diamond Tuesday against Milford, another League opponent.

Horvath had his eye on a no-hitter, but lost it in the sixth, when a scratch hit was registered off his deliveries. The final score was 8 to 0 with each player getting at least one hit off the deliveries of Milford pitcher.

The boys played exceptionally good ball on a rain-soaked field in committing only one error.

The Falcons in their last winning streak have made runs on twenty hits, and committed only four errors in the field against their opponents two runs and five hits.

Farmington will meet Walpole Lake in a return contest Tuesday, June 2, on the Farmington diamond at 3:45, which proves to be an exciting contest in the last game of this current season.

WOMEN'S GUILD
PLANS PARTY
AND SHOWER

The Women's Guild of Salem Evangelical Church will meet at two o'clock Wednesday afternoon, June 4, at the Church.

On Thursday, June 5, the Women's Guild is planning a party and shower, honoring Mrs. Carl Schultz, to be held at the home of Mrs. A. A. Applegate on Ten Mile Road. Dessert luncheon will be served at 1:30 p.m. Those attending are asked to place telephone Mrs. Norman Barrons for reservations, and to bring a card table and service for yourself and your guests, at the shower.

Nation's Highways
The nation's highway system includes some 415,000 miles of state highways, 2,400,000 miles of county, township and village roads, and 250,000 miles of city streets. Of this, 1,415,000 miles are unimproved.
