WASHINGTON Vacation Highlights DIGEST . . .

The Old AAA Traveler

tions will hold the airports..." and so on.

"According to the time schedule of the Communista," says Yood, "a city like Chicago could be captured in less than 48 hours."

Despile these fright-aning words, Woods says the sold for foreign-time Sowet color foreig Centuries before the coming of he white man, the Cherokees illimbed high to a mountain peak, ooked over the expanse of moun-ains and valleys, and noted the light hite haze around the other peaks. "The Great Smokles!" they

troop into the troop that same mild climate and that same beauty, to fish from the same streams and the same streams and the same streams and the colden sunlight

to bathe in the golden sunlight which sits in through the peaks. Great Smoky Mountain National Park today is one of the most popular playplaces in the eastern half of these United States and year after year the influx of visitors grows materially. In the early spring the Smokles are ablaze with rhododendron and jaurel and finme arales, with great expanses of which will be a sunline to the sunline state of the sunline state su

The same resultances to Euro American Remittances to Euro Richard States Government.

Though CARE you can send packages, well packed, containing carefully chosen food of the kind most needed and other materials of which there is a trafge lack.

A \$10 food package delivers do,955 calories. (The inhintmum ration in Germany is 1,500 calories at agr. They aren't getting that.)

A blanket package at the same price, provides two all-wood army blankets, selssors, needles, thread and two sets of heels and soiles for shoes.

A new package, same price, de-

live on the little farm which was carred out of the wilderness by the first. Yalkor who came through Comberland Gap almost two centures ago. For many years there were five of the Walker spinsters; but hat year Polly passed to her reward and sleeps among her ancestors in a little graveyard deep in the hills. The Smokles are color-plus, for it

the hills.

The Smokles are color-plus, for in them still lives the mountainear little changed by modern civilization. You still hear the old builded brought from Ireland and Scotland and England, and you still hear archaic English spoken. The mountain dances also were brought from the British isles by the early settlers and have gone unchanged through the years. The Smokles make an ideal vacation territory of the Michiganian, form, the British indignation, form, and the settlers are ample and I have yet to encounter a visitor to the Smokles who did not leave the or she had seen.

So—gire some thought to the Smokles are your Summer or Autumn playplace.
