HARBERT HONORED AT MEADOWBROOK FOR PGA SHOWING

Chick Harbert received glowing tribute at the testimonial dinner dance given by Meadowbrook Country Club Saturday evening, July 12, in honor of his wonderful performance in the recent P.G.A. golf tournament.

It was a beautiful and a jolly party, with music and entertainment, brief speeches and much dancing after dinner. Mayor Edward L. Jeffries, of Detroit, was master of ceremonies at the head table where the guest of honor and Mrs. Harbert were seated.

Centering, this long table in the ballroom was a spectacular cake of ice lighted from underneath, in which were frozen red roses spelling out the name "Chick Harbert". Completing the decorations were arrangements of rambler roses. Summer flowers centered the smaller tables in the ballroom and on the spacious terrace.

Others at the long table included Mrs. Jeffries, Hugh Rader, president of Meadowbrook, and Mrs. Rader, Conrad Metz, of Farmington, as general entertainment chairman, and Hugh Rader, Jr., chairman for this special party, were busy seeing that everything moved along in top shape. With them were Mrs. Metz and Mrs. Rader, Jr. respectively.

Before attending the club party, Mr. and Mrs. William B. Walker, Jr. entertained at cocktails in their home on West Eight Mile Road, their guests including Mr. and Mrs. George W. McIntyre, Mr. and Mrs. S. G. Lutz, Mr. and Mrs. Paul M. Beard, W. Lee Walker, Dorothy Brinker and Mrs. Iva Cunningham. C. — SOUND PHOTO — Photo shows combo of James Caesar Petrillo, musicians' "czar", as he appeared before a special House investigating subcommittee, and told them that the "czar" musicians' union should be blamed for the labor management difficulties in the music field. CHRISTINE BICKING IS BRIDE OF RICHARD BROWN

Christine, daughter of Mr. and Mrs. Clarence W. Bickling of Plover Avenue, became the bride of Richard Brown, son of Alfred E. and the late Mrs. Brown of Hollywood Drive, on Friday evening, July 11. Rev. A. Stanley Stone performed the double ring ceremony, by candlelight, at the First Methodist Church. The altar was banked with candelabra and palms, with baskets of gladiolus and delphinium providing floral decoration.

The bride, given in marriage by her father, wore a gown which traditionally was also her sister's wedding dress. It was of ivory lace over ivory satin and was dedicated on princess lines. Tiny buttons extended down the front of the bodice, long sleeves ended in points over her hands and the high neckline was finished with a small, round collar. Her three-tiered wedding veil of ivory illusion was fastened to a satin and net cap. She carried orchids.

Matron of Honor was the bride's sister, Alma Mae Turner. Her other attendants were Susan Slocum, Margaret Brown, a sister of the groom, Donna Morton Holstrom of Newkagon, and Itha Nancy Turner, the bride's niece. They were all gowned in crepe dresses, with high necklines, cap sleeves and floor length, knife-pleated skirts. Mrs. Turner wore grey, and Itha Nancy wore pink, and they carried red roses and pink daisies. The other three attendants wore aqua and carried shasta daisies and yellow roses. They all wore daisy chains in their hair.

John Hulett was best man and ushers were Wade Dickerson, Dick Reid and Bill Parker.

For her daughter's wedding, Mrs. Bickling wore a gown of dusty rose, and a corsage of roses.

Miss Joyce Heeney played the wedding march on the organ; and also accompanied Miss Susan Hamilton of Sturgis, Michigan, who sang "Because," "The Serenade" from "The Student Prince" and reworked "The Lord's Prayer" at the end of the marriage service.

One hundred twenty five guests attended the reception held at Botoford Inn immediately following the wedding.

The bride and groom left for a week's honeymoon in upper Michigan. They will be at home to their friends at the Alfred Brown home, 26227 Hollywood Drive, upon their return.

Several social events were tendered Christine before her marriage. In June Mrs. Lorain Lindbert, the former Eileen Baldwin, entertained 15 young ladies at a linen shower. Miss Susan Slocum entertained for Christine and two other bridesmaids at a six o'clock dinner the latter part of June. Mr. and Mrs. Bickling were hosts at a rehearsal dinner for 18 guests at Black's White House on Thursday evening.

FARMINGTON GIRLS ENJOY YWCA CAMP ON LAKE HURON

Among the new campers rushing for their first swim in Lake Huron, as the YWCA's Camp Cavell opened its second two-week period Saturday was Jane Hamlin, 25311 Brookdale, Farmington.

Welcoming her at Camp Cavell was Carol James, 33221 Shilawassee, also of Farmington, who is already an "old timer", having been at camp place the opening, June 28.

While swimming in Lake Huron is one of the major thrills of life at Camp Cavell, the four tennis courts, shuffleboard and deck tennis courts, archery range and play fields are in constant use. Horseback riding is also popular and campers are now preparing their annual horse show to which parents and friends will be invited.

Camp Cavell on Lake Huron, for school girls 10 to 17, will be open through August 23. A few openings are still available for the last camp periods, according to Marjorie Mason, director. Inquiries should be made at the camp registration office in Detroit YWCA, Central Branch.

THE ADAMS

The expandable house which in its first stages uses the minimum amount of hard-to-find materials, is one way of meeting the difficulties of present day building! The simplest and cheapest expandable house is one that provides all first stage accommodations in the ground floor, and that pre-plans for rooms to be finished later on the second floor. The Adams is derived from a proven plan used by many professional builders who are always on the alert for plans that permit low cost construction. There is no waste space. Kitchen and bath are back-to-back, holding the cost of plumbing down. The house will fit on a 50 foot lot. Excluding the garage, it is only 25' x 30', with 755 square feet on the first floor, 340 square feet of room area upstairs. Of course it is designed to meet FHA standards. Its electrical layout is approved by National Adequate Working Bureau. Complete wiring drawings and specifications are available to readers of this newspaper for \$7.50 per set from Housing Plan Service — 140 Nassau Street — New York, N. Y.
