CLARENCEVILLE NEWS

By MRS. AXEL RUTILA
 TELEPHONE FARM. 1124-M

Mr. Harry Blechman, familiarly known as "The Fresh Fish Man", visited our community regularly each Monday for 21 years, since 1926. Tuesday he is at Richmond, Armada and New Haven, Wednesday at Rochester, Thursday at Tawas and Romeo, and Friday at Centerline. He purchases his fish in Detroit, fresh from the catches received east of Windsor, Canada. Mr. Blechman was born in White Russia during the days of the czar's rule, when the children of the farmers and peasants were never allowed to go to school. Mr. Blechman received his education by travelling throughout Europe as a young lad, settling in Antwerp, Belgium, where he learned diamond cutting as a trade. He married while there and shortly afterward sailed for Toronto, Canada, coming to Detroit in 1916. Arriving on a Saturday, he applied for citizenship papers on Monday, and received them five and a half years later. Mr. Blechman's two sons are Wayne University graduates and government workers, and a daughter is a social worker in Detroit. He counts living and working in this country among his greatest blessings. The people of Clarenceville hope he will be among us many more years at his familiar stand across from Mr. Powell's feed store on Eight Mile Road each Monday.

Friday afternoon. A ball game and relay games were held for all ages of those who attended. Sgt. Bob Campbell of Bensenlar is home on terminal leave from the army.

Mr. and Mrs. C. L. Cook of Colwell attended a shop picnic at Port Huron on Saturday.

Pvt. Earl Parsons and Pvt. Larry Christensen, who lately joined the Army are enjoying a two week furlough from camp. Mr. and Mrs. John Stollecker of Dresden and Mr. and Mrs. William Stollecker of Bensenlar vacationed in the Muskoka Lakes, Canada, recently by way of Niagara Falls. Mrs. Kenneth VanZant of Melvindale has returned from New Grace Hospital where she underwent surgical treatment. We all wish Mrs.

VanZant a speedy recovery. Ethel Pink visited with friends in Cass City last week. Mothers of school age youngsters are busy preparing clothes and doing other multitudinous jobs in preparation for the opening of school on Wednesday, September 3. The hardball and softball leagues have wound up their hard fought schedules this week, with one exception, as the I.O.O.F. boys are going to play on through the fall.

Enemies of Forests
 Of all the elements destructive to trees, fire is the worst, principally because it is direct human carelessness. Its result damage amounts to about 60 million dollars yearly in the forests of this country, but since this total does not include damage to tree seed, to loss in soil fertility, nor to the weakened condition and loss in merchantable volume from trees that are not killed, the total figure is many times that amount.

School Days ARE COMING...

Don't forget to register at the High School on Middlebelt Road, or with a member of the school board before the deadline on Saturday, September 6. Voting will take place on Monday, September 15, deciding if we are to have a new gymnasium.

The Leonard Monette family of Ontario are vacationing at Oscoda Lake.

Mr. and Mrs. Majchbrak of Delaware Avenue entertained at a social evening in honor of Rev. Fr. Norbert Clements who has been assisting Rev. Fr. Heenan and Rev. Fr. Cushing with Sunday Masses and other parish work at Our Lady of Sorrows for several years. Fr. Clements has been transferred to a University in Houston, Texas, from his station at Catholic Central High School in Detroit. The whole congregation of Our Lady of Sorrows Church will miss this popular young assistant, and they sent their best wishes along with his new undertaking.

Mr. and Mrs. Ernest Whitlock of Purlingbrook Road, left via train for a prolonged visit in California where a brother of Mrs. Whitlock's resides.

The Kenneth Swarthout family and the Arnold Rutila family were among those from this district who attended the Shriners' Band Concert, Circus and massed drill and marching formations at Dearborn last Friday evening.

Marie Holroyd has returned from vacationing with relatives at Bald Eagle Lake.

Mr. Mann and his band completed their summer program with a concert on Tuesday evening. The two previous weeks rain had caused a postponement. Mr. Mann introduced ten new members who have graduated from beginners to first band, and they very proudly stood and took a bow while some of the regular band members were rewarded for their summer efforts by Mr. Mann allowing them to play first positions. They will be busy indeed Tuesday and Wednesday of next week in preparation for their State Fair appearance on September 4.

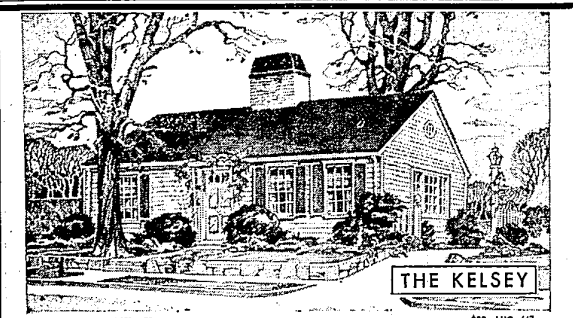

Mrs. Art Walsh of Colwell entertained a number of neighbor ladies at luncheon in honor of Mrs. Emanuel Kelly of St. Francis who will return with her family, to Detroit to make their home.

The Cub Pack held their second large outing of the summer season at Cass Boston Park on Saturday.

Uncle Sam Says

Automatic, regular bond buying is an all-American prescription for freedom from worry which any farmer or professional man or woman—even the doctor himself—can rely on confidently. For professional people and the self-employed, the Bond-a-Month Plan, which is now available with the help of Uncle Sam's bankers, is a simple easy way to security. By buying a Series B Bond once a month at issue price of \$37.50 you can accumulate \$4,995.00 in 10 years' time. U. S. Treasury Department

THE KELSEY
 228 AUG. '47
 © HOUSING PLAN SERVICE, Inc.
 THE KELSEY — Cool as a cucumber, crisp as fresh lettuce, neat as a clipped hedge, are the simple lines of this Colonial cottage, 36 ft. by 24 ft., with 864 sq. ft. of floor area. While not absolute minimum in small houses, it is small enough to be built economically. The few extra feet of floor space provide extra refinements: an "H" shaped living room nineteen feet long with dining space under the three-sash picture window; a number of roomy closets; the luxury of a fireplace permissible. To save cost it may be built without basement, the heater domestic hot water tank and laundry tub going in the utility room. The Kelsey conforms to requirements of FHA. Its electrical plan approved by National Adequate Wiring Bureau. Complete working drawings and specifications may be had from Housing Plan Service, 140 Nassau Street, New York 17, N. Y., at \$7.50 per set.
 This new House Plan Feature is offered as a service to our customers.

400,000 Left Feet

that never push a clutch!

GM HYDRA-MATIC DRIVE has been proved by nearly 400,000 Oldsmobile owners in billions of miles of "no-clutch, no-shift" driving!

After these 8 years, Hydra-Matic Drive is still the only "drive" that eliminates the clutch pedal and shifts gears automatically through four forward speeds. The lowest priced car to offer GM Hydra-Matic Drive is the smart new Oldsmobile. It's ahead in performance — automatically. Ahead in appearance — dramatically. That's why people are saying, "It's SMART to Own an Olds!"
