## West Point Park

Mrs. William Fisher, who returned to Florida a few weeks ago after a summer spent in West Point Park, writes that she has now recovered from the illness with which she was suffering at the time of her departure. During the recent hurricane, when it was impossible to go grocery shopping, she was glad to discover in her cupboard a package of dried Michigan beans, given her as a good-bye gift from one of her Michigan friends.

Mrs. E. C. Imonen, of Hubbard Avenue, has now recovered from an ear infection which recently sent her to the hospital for a few days. The William Shermans, Mayfield Avenue, joined other relatives in a family picnic at one of the parks Sunday.

Wayne Ault was a visitor in New Haven last Friday.

Mrs. Diehle, Shadydale Avenue, was a visitor in Detroit Monday.

Freda Ault was calling on Mrs. Charles Haas, out Grand River, Monday.

Miss Gloria Sidelinker spent Monday evening with friends in Detroit.

## AUDREY ROBERTS MARRIED AT PRETTY WEDDING

The wedding of Audrey Roberts and Robert Padot of Monroe took place Saturday morning, October 4, in Our Lady of Sorrows Church. The bride is the daughter of Mr. and Mrs. Joseph Roberts of Mayfield.

Audrey was lovely in a traditional white satin gown with a long sweeping train and a beautiful veil. She carried a pretty bouquet. The bridesmaid, Margaret Wolfe of Farmington, wore a pink gown and the other, Marion Bolyard, of Hubbard Avenue, wore a blue gown.

Tom Roberts of Monroe was chosen as the groom's best man.

Following the ceremony, a local caterer served breakfast to the bridal party and immediate families. A reception was held at the home of the bride's parents in the evening. A considerable number of friends and relatives were present from Monroe and other parts of the state as well as from the neighborhood. A buffet lunch was served and enjoyed by everyone. The couple's gifts were on display.

The newweds left at 2:30 for their honeymoon journey, which is to include a trip to Niagara Falls. They will live in a new home being built for them in Monroe.

Mrs. Padot has lived in West Point Park for several years and was a Farmington High School graduate in 1946. She has been an employee of the J. L. Hudson Company.

**THE MASON**

**HOUSING PLAN SERVICE** Inc.  
**THE MASON** — Few small houses possess the authentic early American charm of this cottage. The plans provide for construction with either one or two bedrooms. For economy, it should be built without basement. Plans show basement alternate, however. The Mason is unusual in its room layout. The living room has three way ventilation. The kitchen provides dinette space. The master bedroom is of a size to grace a much larger house. Closets are generous. The exterior charm of this house sets it apart from most small houses. It conforms to the standards of FHA and the National Adequate Wiring Bureau. Blueprints from which this unusually attractive small home may be built, are available at \$7.50 per set from Housing Plan Service, 140 Nassau Street, New York 7, N. Y. This new House Plan Feature is offered as a service to our customers.
