It's Up To You!

Whether your children continue their education in overcrowded classes, with insufficient equipment and supervision, probably in half-day sessions - or whether plans for new buildings and additions can be carried out immediately - it's up to you!

If you want to improve your schools, and if you are willing to pay your small share of the cost, vote YES at the special election on Saturday, December 6.

The polls are open from 8 a.m. to 8 p.m. in the Farmington High School Gymnasium building.

You know the choice - school construction or chaos.

You know the cost - \$10 per \$1,000 of assessed valuation for five years.

You know where and when to state your decision.

It's Up to You -- So VOTE!
