HERE AND THERE WITH ALUMNI OF F.H.S.

This certainly is a season of tying feet and racking brains. That Helen Early surely is a busy girl. She not only goes down to work at the Detroit Edison Company every day and to night school several nights a week, but she plays on the Edison basketball team. We don't see where she finds time to do it all.

Tommy Gours joined the navy (along with former students Jim Brodel and George Greco). We've heard from him a couple of times; he likes everything but having to get up so early in the morning.

The "Three Musketeers" are attending Ypsi Normal this new semester. You're wondering whom I mean? None other than Duane Silling, Harold Laughton and Chuck Horvath. They should have a lot of fun together.

"There's a long, long, trail a-winding" to get to Doris Green. She is at Calvin College in Grand Rapids. From all reports she likes it fine.

And, to all you alumni about to take your semester exams, burn the midnight lights now; then get plenty of shut-eye afterwards. We're learning that method the hard way, too. P. L.

English Classes Make Speeches

It seems the speech classes are not the only ones who have the privilege of "spouting off on chosen subjects."

Miss Claire George, English instructor, has planned to have her students begin making three-minute speeches and gradually apply to subjects.

"How to make something" was the topic for the three-minute speeches. Some of the students illustrated their talks very effectively. To demonstrate a report on "How to Make a Snow-man" one of the girls produced a jar of melted snow. To emphasize the telling of how taffy is made, another member of the class passed pieces of the candy. P. J. B.

Several Interested In U. Of M. Awards

Eight senior students have applied for the scholarship offered by the University of Michigan Farmington. It was fortunate last year, with two students, Margo Fisher and Margaret Hatch receiving scholarships.

The students who have applied are: Carolyn Early, Pat Ervry, Harvey Barnes, Elbridge Dunkel, Mary Pagenkopf, Janet Louys, Marguerite Labadie and John Pettigrew. D. G.

Speech Highlights

What! talk for ten minutes. Members of Mr. Smith's speech class discovered that this task was not so difficult as it sounded.

Last week ten-minute outlined speeches were given by members of the class as part of their semester finals.

Among the topics presented were "The Future of Television," "America in 1960," and "Michigan vs. Notre Dame." D.R.

Falcon Bowling League Lead Still Tied

With the Pin Kings taking three points from the Lucky-Strikers and the Wildcats taking three from the Ten-Hi, the Pin Kings and Wildcats are still deadlocked for first place.

Joe Lapham had the high series for the night with 472, and Stanley Chavey had the high game with 132.

The standings follow:

Team	Points
Pin Kings	25
Wildcats	25
Spiffies	24
Lucky-Strikers	22
Flying Cats	20
Ten-Hi	16

Court Session Is Held At F.H.S.

On Monday, January 13, the first session of the Student Court took place. After working out a smooth order of procedure in this first session, the Council plans to have the second session presented before the school in public assembly.

The purpose of the assembly is to give the students an idea of what the court really is.

Several new offenses are now on the list. They are: unacceptably conduct; eating in locker rooms, rest rooms and cars; and skipping or being tardy to pep meetings and assemblies. P.A.E.

Reminder

With the exception of two new courses, economic geography and solid geometry, class schedules for the second semester will be the same.
