"Dedicated To Serve You Better"

The Farmington Lions Club is looking forward to new experiences and new service to the Farmington community.

Although the Lions Club is one of Farmington's newest organizations they have already several activities to their credit. Last Halloween the group held a party for the children of the community at the City Park. The biggest difficulty seemed to be in the fact that so many people did not know where the City Park was — and hence failed to find the party. The park is just east of the High School Athletic Field. Those who were present seemed to have a most enjoyable time, however, and the Lions Club is looking forward to a bigger and better party next year.

A very successful party was also held at the Lutheran School in Eight Mile, where some entertaining films were shown, and refreshments served. Everyone had a wonderful time.

A Christmas party was also held. Members of the club picked up children, and entertained them with a wonderful turkey dinner at Van's Bar. All of the children of club members, as well as others in the community who might not have such a Merry Christmas were entertained. Each child received a toy which was given to them by Santa Claus.

The club has held several open house meetings, at which wives of members were guests, and they enjoyed a social evening, with refreshments being served.

This month marks the birthday of Melvin Jones, founder of Lions International. As is the custom, clubs honor his birthday by striving for bigger and better clubs. The Farmington group has held a membership contest in this month, and six new members were taken into the club at the last meeting. District Governor Jack Gilliland was present from Detroit, and talked on Lionsism. He spoke of the club's position in the community, suggested various projects and work that might be adopted. He particularly stressed the need for youth work, pointing out that it is not a problem to direct youth, but rather it is a problem for adults to adjust themselves to the needs and demands of the young people today.

The next meeting of the Farmington Lions Club will be held on Tuesday, January 27. This meeting will feature a continuance of the Jones birthday observance, and a speaker will be provided. This is the final meeting of the membership contest, so bring all new members and guests. Remember, there are some very fine awards in this national contest — prizes well worth some extra effort on everybody's part.

Regular meetings of the Lions Club are held the second and fourth Tuesdays of each month, at Tom's Tavern, beginning at 7:30 p.m. Board meetings are held the first Tuesday of each month.

## Engagement Announced

BARBARA GREEN

Mrs. Richard F. Gray of Elizabeth Street, Plymouth, announces the engagement of her daughter, Barbara Green, to James W. Davis of Farmington, son of Mr. and Mrs. Willard H. Davis of Schoolcraft, Michigan. Miss Green is the daughter of the late Carlton Green.

Miss Green was graduated from Plymouth High School, after having attended St. Mary's Academy in Monroe for two and a half years. At the present time she is studying nursing at Harper Hospital.

Mr. Davis is a graduate of Hillsdale College. He served as a captain with the Third Marine Division in the Pacific area, during which time he was decorated with the Silver Star and two Purple Hearts, for action on Guam and Iwo Jima.

At present Mr. Davis is coaching at Farmington High School. No date has been set for the wedding.

## Dinner Marks Wedding Anniversaries

Mr. and Mrs. Glenn Young of Floral Avenue celebrated their 3rd wedding anniversary Saturday evening with Mr. Young's parents, Mr. and Mrs. George Young, who celebrated their 32nd anniversary at the same time. The group went to the Stockholm Restaurant on East Jefferson in Detroit, for a Swedish smorgasbord dinner. From there they went to the home of Mr. and Mrs. George Young for a gala visit together to celebrate the occasion.
