Do You Have Noisy Neighbors?

A lot of the neighbors were sud-denly annoyed by Jeb Crowell's hammering at night. Jeb was build-ing himself a new front porch—and the only time that he could give to it was after sundown.

it was after sundown.

Finally we decided the best thing
to do was all pitch in and help—
and get the carpentry over with as
soon as possible. We did. Finished
the porch next evening—and Jeb
gratefully tracted us to ica cold
beer and cider.

stead of complaining about the other fellow's habits, try to understand and share his interests.

stand and share his interests.
So if my practising on the flute
annoys you, come on over, neighbor, with your fide or guitar and
join mei Maybe it will end up is
our knowing and appreciating conanother better. . . in an evening of
good fellowship. And I'll promise
to provide the beer that goes with
evenings of good fellowship!
