FRENCH FRANC DEVALUED

NEW YORK, N. Y. — SOUNDPHOTO — Following the French Finance Ministry's decision to invalidate the five thousand franc note, local holders of these artistic shinglars may now use them as lights for their smokes, as this disillusioned young man is doing. The French Finance Ministry hopes to gain about one and a half billion dollars by this operation on the premise that a good deal of the bank bills are held by black marketers who don't dare bring them into the open.

Mr. and Mrs. Albert Hardy, Sr., with their infant son, were Sunday guests of Mr. Hardy's mother, Mrs. Walter Rehahn. Mrs. Rehahn's nephew and wife, Mr. and Mrs. Lee Galloway, from Garden City, were also of the party.

Mr. and Mrs. M. E. Ault were Tuesday evening dinner guests of their son-in-law and daughter, Mr. and Mrs. Thomas Roberts, in Monroe.

Mrs. Alva Parks, sister of Mr. Marvin Addis, returned to her Redford home last week from St. Joseph's Hospital, Ann Arbor. Her condition is still considered serious.

Mrs. Russell Kline, of Parker Avenue, has been spending a week with her mother in Detroit. Ronald, her young son, is much improved from a recent illness.

Two more cases of chicken-pox are reported from Parker Avenue. Herman Schult, Shadydale Avenue, left the middle of the week for Florida, where his employers have sent him for a month.

Mrs. Cecel Willet was hostess to a "cosmetic demonstration party" last Tuesday. Several of her friends dropped in for the pleasant little occasion.

Mrs. Ralph Voorheis and Mrs. Austin Ault were visiting in Detroit Thursday.

Mrs. E. W. Stange and son, Edward, spent Saturday in Detroit.

Mrs. Walter Dixon, of Bretton Road, and who was ill for so long, is now able to "step out" from her home.

Mrs. Charles Davis, who recently underwent a major operation, is able to be around a little in her home on Farmington Road.

Mr. and Mrs. Emerson Ault spent Thursday evening with the Sronsoski's in Washtenaw.

Herbert Schult, now located in Puerto Rico, writes that he expects a furlough not later than the early summer. He may soon be transferred to another part of the world.

Mrs. Cecel Willet was quite ill

much improved, from the hospital where she has been undergoing treatment.

Complaints are now being made regarding the many dogs, wandering singly or in groups over the community. Other domestic animals and chickens do well to keep out of their path. Shrubbery is being destroyed. It may be a certain sign that spring is near at hand, but most residents consider it an unnecessary nuisance.

Goodfellow and his wives are still talking of the delightful supper and social evening they had together Saturday evening, January 24. During the program many interesting reports were made regarding the work of Livonia Goodfellow during the last Christmas season.

Many comments have been made regarding the unusually beautiful sunset observed in the western sky Saturday evening. The clear cold atmosphere seemed to produce a miracle. All agree it was the most wonderful ever seen in this locality.

Few people are aware of the fact that a special teacher, provided by the state, and cooperating with the public schools, is now regularly visiting and instructing physically handicapped young folks of our community who cannot regularly attend day-school sessions.

Masons, from Five Mile Road, will soon be opening a high-class grocery store on Farmington Road, near Seven Mile.

FM WAITING

Two hot dogs with a "single thought." And Deacon, the little brown cocker has that thought — to eat the hot dog he is holding. But he will not carry out this natural desire until his master, Carl Barry, gives him permission. Deacon is one of the six retrieving dogs that will perform at the Detroit Sports and Boat Show in Convention Hall, February 14 to 22.

— PLENTY OF PARKING SPACE —

Rumors are prevalent that "Mounted Mail Delivery" will be established in parts of West Point Park next summer. Many residents frankly dislike the idea, fearing they would lose many conveniences of the present system. It is expected there would be no delivery of parcels or registered mail, no sale of stamps and no applications for money orders taken. Many folks of this rural section cannot easily visit a regular post office.

Mrs. Cecel Willet, assisted by her mother, Mrs. Simpson, entertained the Sunshine Sisters at her home on Mayfield Avenue last Wednesday afternoon. The attendance was encouraging and the group enjoyed a delightful afternoon together. The Valentine exchange of the Sunshine Sisters will be held Wednesday afternoon, February 11, at the home of Mrs. Walter Rehahn. Each person is requested to bring some sort of Valentine for a grab-bag exchange.

The Boys' and Girls' Group of the Neighborhood Church will hold their annual grab-bag exchange of Valentines Wednesday evening, February 11.

The Livonia Methodists are arranging for a Rummage Sale to be conducted in the basement of their church next under construction on Saturday, February 25, from 10 to 6. Proceeds will go toward the purchasing of furniture and equipment for the Sunday School. Donations of discarded but usable articles of all sorts are solicited and may be left at the home of Dr. Hotchkiss on Seven Mile Road or at the home of Mrs. Charles E. Hall, 31659 Seven Mile Road. If a pick-up is desired, call Mrs. Hall, who has a telephone number, 1360.
