REDS TAKE OVER CZECHOSLOVAKIA

PRAGUE, CZECHOSLOVAKIA — SOUNDPHOTO — This picture, made as recently as January 1st when Communist Premier Klement Gottwald, left, visited President Eduard Benes in Prague to wish Benes "Much health, Happiness and God's blessing in the New Year in the name of the Czechoslovak Government and in his own." Since then Gottwald has achieved dictatorial power and forced Benes to give his okay to a Red dominated government.

One of our local newspapers has been bitten four times this winter by dogs overly-anxious to protect their homes. The boy, who has a dog of his own, hears them no grudge.

Boxing practice, with resultant bloody noses, etc., is just now a popular sport on the playground at one of our local schools. Girl friends wait and mothers plead, but boys continue to be boys.

Lt. and Mrs. A. J. Guilmotte, from St. Petersburg, Florida, are home guests for a few days of Mrs. Guilmotte's parents, Mr. and Mrs. John Mercer, on Seven Mile Road.

An unusually fine Sunshine meeting was held at the home of Mrs. Russell Ault, Shady Side Avenue, Wednesday afternoon of last week, twenty five ladies and a number of children being present. Mrs. Gordon Cameron conducted the devotions.

Mrs. Nelson Cameron from Redford gave a short but impressive talk. Several other women present contributed to the program and a trio of little girls, Pauline and Beverly Vachol and Judy Muir, sang very sweetly together. Greetings were extended Freda Ault, whose birthday happened to be the meeting date. A new neighbor, Mrs. Magner, was welcomed. During the social hour ice cream and cake were served by the hostess, assisted by Mrs. Clinton Ault. The next meeting of the Sunshine Sisters will be held at the home of Mrs. Arthur Muir on Shady Side Avenue, Wednesday afternoon, March 10.

Check Of Brooder House Needed Now

If you've ordered your baby chicks, Michigan State college poultry specialists have a word for you. Their advice is this: don't wait until the chicks get here before you get the brooder house ready.

They say the number one job is to clean the brooder house thoroughly — and that means scrub and disinfect the house and equipment. Cracks in the walls and floors should be sealed to stop drafts. Before the chicks arrive the brooder should be checked to see if the temperature holds.

Miss Helen Ruth Ault, Irving Avenue, is still confined ill to her home.

Rural Tele-news

VOICEWAYS FOR '48: Michigan Bell expects to set 25,000 poles and string over 11,000 miles of wire in rural areas this year. This will help bring telephones to folks who are waiting and reduce the number of parties on many rural lines.

GOOD NEIGHBORS: Good rural-line neighborliness means better service for all. We're good telephone neighbors when we keep calls short, remember not to interrupt others' talks, and hang up after each call. (One receiver off the hook ties up the line for everyone.)

BIG CITY: The number of telephones added in rural areas by Michigan Bell in the past two years would provide a telephone for every man, woman and child in a city the size of Battle Creek. There are now 125,000 telephones in rural areas served by Michigan Bell.
