Fire Department

(Continued from Page One)
home of A. C. Kahl, 33516 State Street, where the chimney burned out. There was no damage, and no smoke.

Later on Friday evening, about 10:30 p.m. a passerby stopped at the home of Mr. and Mrs. Robert T. Smith, 23345 Grove Street, telling them that their house was on fire. The fire was discovered in time for the department to quickly put it out and no damage resulted. The man who notified the Smiths of the fire left before they could thank him, but they are very grateful to him. If it had not been discovered when it was, it might have been much more serious.
