PONTIAC

A FINE CAR
MADE EVEN FINER

For all "one-car" families

For the family which has but one motor car—Pontiac is an extremely wise choice. First, it is big and beautiful. You can drive it anywhere, any time, with the certain knowledge that it will be admired. It also gives you the comfort you want, and need. It is safe, too—because it has big, sturdy brakes—and remarkable balance on turns and curves. It provides the perform-

ance luxury of GM Hydra-Matic Drive*. It is quick and nimble, easy to steer and park—a feature especially appreciated by women. And it is very economical—just as economical, in fact, as any car you can buy. It is a rare car, indeed, which can offer all these qualities. And because Pontiac does offer them, it is becoming the choice of more and more people every day.

*GM Hydra-Matic Drive, Bumper Guards and White Sidewall Tires optional on all models at additional cost.
