IN MEMORIAM

In loving memory of our baby Margie Ann Baker, Born June 19, 1941, Died July 2, 1941. We thank God for giving her to us, to love and hold for a few short days. The memory of baby dear will live forever in our hearts, for we know she waits at journey's end.

Our Baby's Journey
We know that our baby's journey Led first through the valley dim, God, the loving Christ, was with her, And we trusted all to him!
And we know that the royal lilies That lean o'er the restless tide Forever are bright with the glory That's just on the other side,
Missed by her Mama, Daddy, Sisters, Brothers and all who loved her

Uncle Sam Says

The dollars my young niece and nephews earn this summer can give them a stake in the future and help keep the country's economy running on an even keel. By investing a small amount of their summer-time earnings in United States Savings Bonds as long as they keep for achievement of future goals. It's up to us as neighbors who have learned how big a mistake we can accumulate through the payroll savings plan for buying savings bonds to impress upon sis and junior that the future holds for them what they hold for the future.
