You Wear a Record of Honorable
Service in Your Lapel.

That discharge button wins universal respect. You've earned every last ounce of recognition it gets you, too.

You've more coming.

For one thing, you've earned the right to wear The American Legion button and enjoy the prestige that goes with it.

The Legion doesn't want any-

thing from you but what you want for yourself. It's your outfit. Your chance to fight for your rights and build a better nation.

There are more than 3 million Legionnaires across the country fighting with you, to preserve the things you fought for.

At your local Post there's comradeship, a job to do, and a lot of fun waiting for you. There'll be no red tape when you add YOUR experience to this front-line outfit. Come on down to the Groves-Walker Post 346, The American Legion Memorial Home, and collect your inheritance.

**YOUR LEGION BUTTON
IS WAITING FOR YOU.**

Leon L. Church, Commander
The Groves-Walker Post 346,
The American Legion,
Farmington, Michigan.
