Executive Board — Farmington Post

Pictured above are members of the Executive Board of the Groves-Walker Post. Left to right, Leon Church, George Pare, Clarence Barber, Russell Gaston, Joseph DeVriendt and James Nourjian.

Legion Finance

(Continued from Page One)
ed Commander, membership list growing, building material becoming more available and everybody becoming more and more anxious about our building program. Meetings and discussions were held by the entire membership, the board of Directors and the Executive Board. It was decided that it would be just as advantageous to begin our building now as to wait any longer. In the meantime, prices of both labor and material skyrocketed. Without any more ado, ground

was broken and our long dreamed of building started.

As you know, we had a long hard winter, which arrived too soon for us to have the building closed in. This brought about many obstacles along with the discouragements and increased our building costs considerably, which made it necessary to put on another campaign for donations. Again the civic minded folks of our community came through with more donations equaling around \$3,000.00. We were still short about \$12,000.00, but all this did not stop this group of fighting men from fighting on and winning their objective.

We are now proud to say that we in Farmington have one of the finest American Legion Homes and Community Buildings in Michigan, which is now available to other organizations and groups at a reasonable rental.

This beautiful building far exceeds our highest hopes, and is made possible only through the generosity of our friends and neighbors in and around Farmington.

I personally and in behalf of the members of Groves-Walker Post 346, American Legion, Department of Michigan take this opportunity to thank each and every one who contributed so generously with either money, material or labor.

Yours sincerely,
Carl W. Matz,
Finance Officer.
