More than 1,000 young bowlers - all members of the City of Livonia Parks and Recreation League - were fed this week to write another bright chapter in junior bowling for the nation.

The Livonia league is the largest of its kind in the country and has grown so that the annual banquet was split into five segments.

The Michigan Youth Bowling Association also has outgrown facilities for its annual banquet and awards dinner with the result the state has been divided into sections and each segment will hold its own.

Classic is reviving the old time inter-city matches that were popular several decades ago. A home and home series has been arranged with the Toledo Times Classic. The first series will be bowled at Hazel Park Bowl on Monday night, May 15 at 7 p.m.

ANDY DICAMILLO is still enjoying one of the hottest streaks of the season. His latest effort, in the Guys and Dolls League at Bel-Aire Lanes was a 723 on games of 231, 245 and 249.

FRED HAMLIN, proprietor of Farmington Lanes, decided last weekend to find out who were the top bowlers in the house. So he sponsored a King and Queen tournament.

Meanwhile Standard Composite placed third with a 3135 count.

A three way struggle for top honors marked competition in the Oak Park Lanes Senior House League with Shel Green finally gaining the edge with a 650 series.

JOHN DUDECK finally cracked the 700 barrier - the goal of all amateur league bowlers. Competing in the St. Linus League at Garden Lanes he put together games of 248, 248 and 210 for 705.

THE FARRIS BROS. bowling team had an odd experience Tuesday night as the curtain rang down on the Wonderland Classic. It posted a 3247 series - and lost three points. The opposing Redford Sales team registered a 3383 on games of 1009, 1095 and 1159 compared to Farris 1196, 995 and 1055.

THE LIVONIA Jaycees are sponsoring the first annual junior elimination tournament May 6-7 at Livonia Lanes, Cloverlanes and Wonderland. Entry blanks are available at any of these lanes.

# Rocks Victim Of Edsel Ford One-Hitter

Jim Grimmer just couldn't see any pitcher throwing a no-hitter against Plymouth, and he did something about it.

Edsel Ford hurler Roger Wiedemann, in his first varsity start, had a no-hitter on the line with only one batter to retire in the bottom of the seventh inning.

That hitter was Grimmer and he laced a pitch into center field for the lone Rock hit in a 3-0 loss.

"Wiedemann threw one heck of a game," said Plymouth Coach Wayne Sparkman after dropping his second Suburban Eight contest.

Plymouth stands 1-2 in the league and 2-3 overall. Edsel Ford has only played two games and both in the conference and both wins. Six

rainouts have hindered Edsel Ford baseballers.

PLYMOUTH mustered only one walk along with the Grimmer single. Nine Rocks went down on strikeouts with no runner getting past first base.

Plymouth pitcher John Owens hurled well except for two gopher balls.

A fifth inning homer by Randy Owens gave Edsel Ford a three run margin. Leftfielder Dennis Grimmer almost caught up with the long drive but the ball sailed over his glove.

Owens took the loss with four hits and four strikeouts and one walk to his credit.
