**Two Speakers
Are Scheduled
By Pierson PTA**

The Parent Teachers Association of Pierson School, Livonia Town-
ship, has extended an invitation to all persons interested in the
coming election to hear two speak-
ers scheduled on their program for
the evening of October 22, at 8
p.m.

The speakers highlighting the
program are Thomas N. White and
Robert J. DeMund.

White, a native Detroit-
employed by the Chrysler Corporation,
is vice president and director of
the Rail Splitters, Republican in-
dependent political organization in-
terested in educating the public
about the delegates running for
public office. He is also a mem-
ber of the board of directors of
the American Speakers club. He
will speak on the constitutional
amendments appearing on the No-
vember ballot.

DeMund, born in Pontiac, re-
ceived a law degree from Wayne Uni-
versity, and is a member of the
Michigan Bar Association, as well
as a member of the Detroit Speak-
ers club and the Rail Splitters or-
ganization. His topic will be the
Fut-Hartley law.

A regular business meeting will
precede the speakers. Refresh-
ments will be served after their
addresses.

On Friday, November 12, the
Pierson PTA will hold its annual
Family Fun Night, with a puppet
show, movies and bazaar.

Anti-Cormorant Program
Seabirds such as the gull and
cormorant destroy millions of
seafood annually along the coast of
Maine. A gull and cormorant con-
trol program has now been in-
stituted to decrease the population of
these birds. Eggs in the rookeries
are sprayed, and the eggs thus
sprayed do not hatch.

CLARENCEVILLE NEWS

By MRS. AXEL RUTILA
TELEPHONE FARM. 1124-M

A line or two to fill in the color
of the Farmington Clarenceville an-
nual football tussle Friday after-
noon, which doesn't appear in the
official front-page write-up. In the
opinion of this old scribe, this is
one of the hardest fought games
played anywhere in the country
during the season. The schools
are not in the same class even
though that never comes out. Our
boys this year were the same
Reserves who were so severely
trounced last year by the Farming-
ton Reserves. The scoreless tie at
half time was the biggest upset
of the game. Quarterback Brown-
baugh calls for all the boys to car-
ry the ball, which certainly helps
the team spirit. We never saw
so many folks out to a game in our
town and traffic therefore was a
problem at the close. Our Band
outdid themselves, too, with forma-
tions and marching with the en-
tire corps of majorettes dancing a
quadrille. Nice going, kids.

One thing we have to be thank-
ful for this season is the few
hunters we see prowling in our
midst, though Saturday morning
the gun reports were very pleas-
ing and one group of men were
riding around on the fenders of
their car, which is most unlaw-
ful. I am told it's even unlawful to
hunt pheasants that way, but all in
this season, the boys seem to be
using their heads more. There is
no scarcity of our citizens with
numbers on their backs.

The C. L. Cooks entertained their
bridge club Saturday evening.

Mrs. William Pink and little
daughter, Kathy, visited Mrs. Pink's
folks in Cass City over the week
end.

It must be something of a record
for frost to hang off, until Octo-

ber 17th in our section of the
country, and leave us to enjoy the
flowers so long. We saw snow-
flakes fall Sunday at the cabin.

The John Holmrods visited with
friends in Roscommon over the
week end.

Miss Mae Hoppe was honored at
a personal shower given by Mrs.
Vivonne Kuhn and Mrs. Ruth Nich-
ols at Mrs. Kuhn's home.

The First Aiders of CL2 Boy
Scouts put on their demonstration
of first aid for the Detroit Head-
quarters of American Red Cross
and were enthusiastically received
as usual. Other troops of the De-
troit area are picking up and learn-
ing the skill to use as part of
their troop program.

It couldn't happen here you will
say—Robert Carver had his moth-
er diligently combing our town to
find a man's straw hat which Rob-
ert needed for his part in the "De-
troit Player" presentation last
Monday evening.

Dr. Sam Prisk's shingle has been
seen hanging out in Detroit—too
bad it isn't in his own town, but
maybe it will be a little later, as
our first Clarenceville dentist.
There are more to come as Jim
Heaphy is taking precedent work
at Wayne this year.

The school year is fast slipping
away. The youngsters already
going dressed for their class pic-
tures for the year book.

The Mothers Club Bazaar was a
very successful affair and each of
the four groups are thankful for
the cooperation given them by
those in attendance, and those who
purchased their tickets and wares.

This family visited our cabin on
Sunday, but you would never guess
our pastime in the country was the
Lions football game. The men
of the family chose radio programs
from Saturday noon until Sunday
midnight, of football games, rumors
of games and statistics. On the
way home we came by way of the
new Kensington Park. The drive-
ways are all open now and the
whole area is a beautiful sight.

The Clarenceville Girl Scouts
will attend the Clarenceville Me-
thodist Church on Sunday, October
24, to begin Girl Scout Week.

It's a NEW Navy!

Navy sets pace in Aviation—four records in a
single year: 1) world's long-distance non-stop
flight record; 2) world's speed record; 3) na-
tional rate-of-climb record from a standing start;
4) maximum endurance record without refueling.

"I was thrilled to see the new Navy and
the change that has taken place since V-J
day! The kind of equipment that used to
be dream stuff—new speedy carriers, fast
super-subs, jet planes, buzz bombs, new
radar and anti-submarine weapons—is
now the rule. These outstanding develop-
ments are the result of the Navy's new re-
search for war and peace... which has
plenty more surprises."
