DDT Is Found Effective As Moth Control Agent

Applications of DDT can be a very effective answer to your moth control problem if you use it correctly.

Use a 5 per cent solution of DDT for spraying on closet surfaces, floors, carpets, around baseboards, or on other surfaces where the insects are breeding or where they may come in contact with the DDT residue. Remember that DDT differs from moth flakes or crystals in not giving off a gas or odor, reminds Miss Josephine Holke, Oakland County home demonstration agent.

DDT also protects clothes against moths. DDT solution can be sprayed lightly on clothes without injuring any fabric that can be dry-cleaned. Too much of the DDT solution may leave a white deposit on dark fabrics, but it can be removed by brushing or dry cleaning.

These residual sprays leave a number of poisonous crystals which will kill insects for weeks after the spray dried. Too much of the DDT solution may leave a white deposit on dark fabrics, but it can be removed by brushing or dry cleaning.

Solutions of DDT in refined kerosene are satisfactory for use in households. Do not spray oil solutions near open fires, because the oil may catch on fire. Remove from the room, or cover, all house plants, fish and pets when applying DDT. Wash your hands when you have finished applying it. Do not allow spray to touch any eating utensil or food and keep it out of the reach of children.

Fish Instead of Meat
 Fish makes a good meat substitute in these days of high meat prices. Many types of fish are cheaper than many cuts of meat, yet the nutritive value of fish is high.

It's Your Fight, Too!

Bing Crowley was "beefing" the other day about all that Our Town's doing in the way of sending food and clothes to Europe. Bing felt that those struggling democracies should look after themselves.

But most agreed with Judge Cunningham who said: "So long as any family or individual in Europe is helping hold the line for freedom—against the forces of intolerance—it's common sense, and common decency, to help 'em."

Because that's everybody's fight: To see that individual freedom is
