CLARENCEVILLE NEWS

By MRS. AXEL RUTILA
TELEPHONE FARM. 1124-M

Mr. and Mrs. Evert Kunttila of Saginaw Road were given a farewell party on Saturday evening, November 27, at the home of Mr. and Mrs. Beard on Weyher Road, when a large gathering of friends met for the occasion. The Kunttilas will be greatly missed by our community because of their untiring efforts and time given to the Cub Scout program and other community services. They are making their new home about 240 miles from here, so it will not be too far to return once in a while.

Mr. and Mrs. Robert Torgeson of St. Francis are receiving congratulations on the birth of a new little son, born November 15. The Leonard Monettes and Mr. and Mrs. Al Monette spent the week end at their cabin on Saginaw Bay.

It's an old hunting story, but still news. Don Gomer reports getting his prize at an uncle's farm at Brighton on opening day. Mr. and Mrs. Orville Robertson of Colwell announce the birth of a daughter, Linda Rose, on November 17.

Our basketball teams are thankful to Boys Republic for allowing them two practice periods of 45 minutes a week, commencing this Tuesday. If some other good neighbor would only come forth another night or so.

Mr. and Mrs. C. L. Cook and little daughter, Nancy, of Colwell, have returned from a ten day vacation with relatives in Pekin, Illinois.

Mrs. Kenneth Swarthout was hostess to the Edgewood Mothers Club on Wednesday last week, this being their social meeting for November.

Our local C. P. Smith store had two large plate glass windows blown out Friday afternoon from an explosion in their furnace room. They feel very lucky no other damage was done and no one was hurt.

Mr. Weatherman is such a remarkable fellow. These days the snow we expect to see each morning fails to arrive and we have spring in December.

Mr. Arthur Mann and his band members are busy little beavers these days. On Saturday trout were held at Walley Lake for a group of the older members who will practice together with members of Milford, Walley Lake, Farmington, Kego Harbor and Holly. For a concert to be given in February, the time and place to be announced later. On Sunday the whole band journeyed to Briggs Stadium to participate in the half-time ceremony at the Lions versus Chicago Bears game. Grownups from our town were present in large numbers, as well. It is too bad more of the parents and residents didn't show up for the football banquet tendered our town on Thursday night when the Band Boosters Mothers Club prepared the feast. Mr. Temerario of the Detroit Lions coaching staff was the speaker of the evening. He related how he was chosen one of twelve benchmasters at the time of the Normandy Invasion, each of the 12 chosen because of their being athletes. He pointed out men should leave the game having learned courage, honesty and integrity therefrom. When the mothers take those kind words into consideration, the time and effort the boys put forth seems less wasted. Mr. Temerario showed a beautiful film of the plays of the Thanksgiving Lions versus Cardinals game at the end of the program. A film of the Farmington - Clarenceville game, taken by Mr. Fred Bailey, was also shown.

Coming events include the Girl Scout annual Christmas party on Wednesday, December 15, and the annual Christmas Reel to be given by the band under Mr. Mann's direction and the choral group under Mrs. Fayliss Pink's direction at the Methodist Church on Thursday evening, December 16.

A week late, but nevertheless true. Our town celebrated Thanksgiving very fittingly by attending church services, the Santa Claus parade, and annual family gathering.
