When Bud Swanson had trouble aleeping nights, and tried to get over it by turning up the radio full blast, he started an epidemic of insomnia all down the block!

Folks finally dropped a hint to Bud that he close the windows or turn the radio a little lower. Bud did—and that was the quickest cure for other folks' insomnia I've ever heard of!

Not that any of us object to the radie, or swing bands, or anything else that helps another person relax of an evening. (Myself, I like
