Girl Scout Council  
Holds Court Of Awards

More than 400 members, parents and friends filled the school auditorium at the Methodist Children's Village on Friday, April 28, when the 16 Scout Troops of the Livonia Girl Scout Council met to celebrate the Council's second annual Court of Awards.

Take part in the ceremonies

— and in the special awards given

— was Mrs. George Kacyra Intermediate Troop 1, of Farmington's Pierson district.

It was the Livonia Council's largest session of its history, and those present were warm in their applause as 13 scouts received their First Class awards, another received Curved Bar, 3 troops were awarded the "Blue" ribbon for their window displays during Girl Scout Week last October, and two more Scouts and their troops were cited for outstanding salesmanship in the two-months' Peanut Campaign just completed.

Before the time for awards was reached, however, the audience had seen each troop present a miniature entertainment of its own in playlet, dance and song.

When time for presentation of the awards came, Troop 1 received a citation for its window display last Fall, and Wanda Coolman, of Troop 1, was the Scout who won her Curved Bar.

Even old elephants can quickly be trained to obey orders, according to the Encyclopedia Britannica.

V.F.W. Juniors To Meet  
At Mrs. Clinton Spies

Winner, Fourth National AAA  
Traffic Safety Poster Contest.

May days call youngsters and  
grownups to old springtime holes  
and the baseball diamond; both are  
safe from traffic. Yet three out  
of ten S. school children killed  
in traffic last year were playing in  
the street. As a result, 9,000

copies of this year's winning AAA  
poster, "Play Away From Traffic,"  
have been distributed in state  
schools by Automobile Club of  
Michigan. 28,000 posters will be  
handed out along with the posters.  
Teachers and parents are  
urged by Auto Club to point out  
safe play places to the children  
for use during the active summer  
months when school is out.

## Wheat Allotments To Be Ready Soon

In expectation that wheat acreage allotments may be in effect for the 1950 wheat crop which will be planted this fall, the Oakland County AAA Committee has been, for the past several weeks, compiling the necessary data to apportion which wheat acreage allotments will be established, according to Walter Cook, committee chairman.

The individual farm allotments will be established soon, Mr. Cook said, and notice of this allotment will be mailed to each farmer so concerned whose farm acreage data was available to the county AAA Committee.

Because these acreage data may not be on record in the county AAA office, farmers who grew wheat for harvest in either 1945 or 1946 and who did not grow wheat for harvest in either 1947, 1948, or 1949 and who intend to plant wheat this fall for harvest in 1950, should request a wheat acreage allotment from the county AAA committee. This request should be submitted in writing to the county committee no later than June 1, 1949. Likewise, farmers who have never in the past grown wheat but who intend to plant this fall should also request an allotment prior to June 1, 1949.

These precautions are taken, Mr. Cook said, so that no farmer who is eligible for a wheat allotment and who desires one is overlooked when the county acreage allotment is allotted among the individual farms in the county.

V.F.W. Juniors To Meet  
At Mrs. Clinton Spies

The Junior Activities Group, sponsored by Mrs. James Manning of the Farmington Auxiliary No. 4033, Veterans of Foreign Wars, will meet at 2 p.m. at the home of Mrs. Clinton Spies, 2129 Inkster Road, Saturday, May 14.

Purpose of the meeting is election of officers for the ensuing year. Girls of the past few years of service in the Farmington area are eligible for membership. New members will be greeted by Dorothy Lint, incumbent president. Refreshments will be served.

Mrs. William Carpenter, Cancer chairman for the Ladies Auxiliary to the Farmington Post, reported a total of \$210 collected in the W.E. W. Indiana. She also states the house-to-house canvass received much cooperation. In addition to the canvass collection, the committee distributed 750 information pamphlets.

Reservations for the Anniversary dinner honoring Post Commanders and Past Presidents of the Farmington Post are being accepted by Mrs. James Manning through Monday, May 16. She can be reached at 21718 Jefferson, at telephone number 1778-R. Tickets for the Swiss Steak dinner to be served at 6:30 p.m. Wednesday, May 18, are also still available.

Edwin Hier Graduates  
From Training Course

A member of the class graduating May 20 from the Naval Interceptor Communications School at the Naval Training Center, Great Lakes, Illinois, is Edwin H. Hier, son of Mr. and Mrs. William Hier of 22093 Gilmore, Farmington.

The 14-week course involves both practical work and concentrated classroom study in the operation and maintenance of public address systems, dial and sound-powered telephones, fire alarm systems, and other shipboard communication devices.

After graduation, students are sent to units of the Fleet to perform their specialized duties.

Food is eaten with the fingers instead of chopsticks by the Chinese in a period of mourning.

## Four In Area Win U. M. Scholarships

Regents-Alumni Scholarships at the University of Michigan have been awarded to four students in the Farmington area. Erich A. Walter, dean of students and chairman of the Michigan Committee on University Scholarships, made the announcement.

The students are: Fred Gross, Jr., 20330 Purlingbrook, Clarenceville High School; Brian Stanley Burbank, 38725 West Ten Mile; Dorothy Anna Howard, 27995 Hazelwood, and Lore Leding, 28595 Old Orchard, both from Farmington High School.

These scholarships carry a stipend equivalent to semester fees for the freshman year and are renewable for three additional years if the student's performance at the University warrants a continuation of the privilege.

Approximately 1,000 candidates from over 300 high schools were considered by the committee. At least one scholarship is available for every accredited high school in the state provided a qualified candidate is presented.

Eligibility for an award is based upon (1) the record made in high school; (2) information provided by University alumnus and other ci-

ties of the community; (3) recommendations of the principal and teachers; (4) financial need; (5) results of the special aptitude and achievement tests taken by the student.

Fire At Musselman Home  
Does Negligible Damage

Oil accumulating in a hot water heater after the flame was out caused a small fire at the home of Mr. Harvey Musselman, 27550 Ten Mile Road.

The fire occurred at 11 a.m. on Monday.

The fire was extinguished with a small fire extinguisher when firemen arrived. No damage was quickly effected by the Farmington fire department.

Damage was negligible. The owner of the house was requested to install protective shields about metal stove pipes running through the ceiling.

Little Christopher Allan Otis was presented with a gift basket by his brother, Mark, 2 or 4:15 p.m. The arrival was named Steven George Otis, and weighed in at 8 pounds, 14 ounces at St. Joseph Hospital in Pontiac. Both children are sons of Mr. and Mrs. George W. Otis of 33612 Shiawassee.

Comments of the community; (3) recommendations of the principal and teachers; (4) financial need; (5) results of the special aptitude and achievement tests taken by the student.
