CLARENCEVILLE NEWS

Mrs. Henry Troutead

Phone Farm. 1038

A happy, wonderful time of the year, this Christmas season. The eager bright faces of our children, their rising excitement as THE DAY approaches, people, their arms filled with packages, the hearty laugh of the store-window Santa, — the one day in all the year when everyone is thinking of some one.

And while we are on the subject of thinking of others, some of you young folks of the class of '49 of the Clarenceville High School, drop a card or letter to D. Sydne Frey, room 437, Maybury Sanitarium at Northville. It gets pretty boring when you are bedfast for weeks and weeks.

A dance and tea dancing recital was sponsored by the Sunors at Clarenceville on Friday, December 9. The recital was given the Frances Wadsworth School of Dancing, and began at 8:30, ending at 10 p.m., with the dance taking place that 10 to 11 p.m.

Mr. and Mrs. Kennedy entertained Mrs. Foster, who lives on Wadsworth, Sunday. Mrs. Fox, Mrs. Whiteock and Mrs. Kennedy attended a Boy Scout Council meeting at Plymouth last Wednesday night.

Mrs. Ansel Hodges of 27504 8 Mile Road had a pleasant week end with her daughter and her husband, Mr. and Mrs. Jack Anderson from Belling.

Clarence Walton and their two children, formerly of Brentwood, are having the happy experience of going into their new home at 29451 Belfast.

By the way, the Boy Scouts are taking orders for Christmas wreaths. I've heard a good authority they are beautiful and well worth their cost. You can order one from any Scout or leader in your neighborhood.

We had quite a meeting at the gym last Wednesday on this problem of what to do about organizing Livonia into a city or not, and who will benefit from the plum of race track proceeds. It's quite a problem. All those who will be affected better find out what the problem is before any do anything about it. A birthday party was held at Mrs. Ely's home on Plymouth Road in Northville is a yearly attraction held not for one, but for three: Mrs. Ely, Betty Fisher and Vivian

Hally, Mrs. Edna Dohany, Pat Alton, and her son Billy, from Detroit, were also there. Pat is Mrs. Dohany's granddaughter. Mrs. Dohany also attended a dinner Saturday given in honor of Mrs. Ely by her son and daughter-in-law, Mr. and Mrs. Robert Ely.

Ford Agency Gives Customers Yule Bonus

A Christmas Club plan, whereby the customer is paid an annual dividend, has been developed by the Smitherville Company, Ford Sales and Service Agency, Farmington. The company this year

mailed checks of two to nine dollars to its customers, after the plan had been in operation only six months. Next year's checks are expected to be larger.

The company pays interest on the money customers spend at their garage: 2 1/2% on parts and the same on labor. Each customer is given a card on which sales are recorded. He turns the card in December 1, and his check is mailed on December 15.

TRAFFIC DEATHS IN STATE AGAIN SHOW INCREASE

State Police report that traffic accidents total 1361 lives in Michigan during the month of October. There were also 3,671 persons injured in the 12,184 reported accidents.

The death toll was three more than the 133 killed in the same month last year, continuing the upward trend that began in August. Injuries were down three per cent but reported accidents increased one per cent.

In rural areas deaths resulting from cross-highway types of accidents nearly doubled and pedestrian deaths also increased. Most of the fatality reduction in urban areas was due to a sharp decrease in pedestrian deaths.

The record for the first ten months of this year shows little change compared with the same period a year ago. There were 1,139 deaths, a decrease of 13 per cent, and injuries totaling 33,236, a gain of 10% or about one per cent, and 11,465 accidents were reported, an increase of 1,354, or also about one percent.

The death toll was up three per cent in rural areas and down 13 per cent in urban areas. All of the urban deaths occurred in cities of more than 10,000 and was largely due to the sharp drop in pedestrian deaths.

Rural areas showed an increase of 44 per cent in car-off-highway fatalities, 27 per cent in bicycle

deaths and eight per cent in pedestrian deaths.

Mileage for the month of September, the latest month available, was up five per cent over the same month last year. Mileage for the first nine months was also up five per cent, but the death rate per 100 million miles of travel was down seven percent.

Deer Season Keeps State Parks Busy

State park managers found "business as usual" the general rule throughout the deer season in up-state Michigan.

A dozen deer, normally frequent visitors to picnic areas and others during the summer months, were conveniently stopping points for overnight camps in some instances.

BROWNIE TROOP 12 ENTERTAINS AT CHRISTMAS TEA

Brownie Troop 12 entertained their mothers with a program Christmas tea Wednesday, December 7, at the Methodist Church. Also present were three friends of the troop, Mrs. Boyce, Mrs. Calkins, and Mrs. Barnum.

Mrs. Barnum reported on the Girl Scout Convention in Milwaukie, and described the pageant presented there.

Prizes were given to the mothers by the girls. The leader was presented with a Christmas centerpiece of roses and mums by the hostess. Mrs. Gillespie and Mrs. King presided at the beautifully decorated tea table, where small

holly-decorated cakes were served. Mrs. Swift presided at the children's table.

All but two mothers were able to be present. Five new members received pins and year pendants were given three.

The gathering of the group was a Christmas party on Thursday, December 15, at the Our Lady of Sorrows Parish Hall.
