### Fenestra STEEL CASEMENTS

You'll like the beauty of their slender steel frames and fine hardware appointments. Finger touch operation is permanent — steel doesn't warp, shrink, swell, splinter. Narrow steel frames provide larger glass areas, that admit more daylight. You get better ventilation—the casements reach out to catch breezes from three directions. They provide safer design, better screens, superior weather-tightness.

### Trojan Cagers

(Continued from Page One) which holding the Eagles to five. Buckets by Nelson and Albers coupled with free throws by the same boys cut the margin to 26-23 with two minutes of play remaining. At this point Bob Gordin tipped in a rebound to cut the margin to one point. Later, with seconds to play, both Bob Riggs and Bob Layland missed free throws that would have tied the game.

Saturday night's fire call brought in long line of cars behind the fire truck. When the truck turned down Ten Mile Road from Orchard Lake, the line of cars following the truck reached nearly to Grand River.

Miss Deland received her bachelor's degree at Chicago University, and did graduate work at Columbia and Harvard. She has been a teacher in the Highland Park schools and at the Veterans Institute of Highland Park Junior College. She spent two years in Hawaii as secretary for the Extension School for Girls.

Joe Whyte led the scoring for Clarencville in both games, getting six points against South Lyon and seven points against Madison. Tomorrow evening the Trojans will engage the Webster Vikings in their last home appearance of the season. The Trojans dropped a 28 - 25 decision to Inkster earlier in the season on the Viking's home court.

## WE'RE STINKERS--

And we aint kiddin'. We know it too cause everybody that comes in the store turns up their nose at us — but you won't turn up your nose when you read what we've got to offer this week. We believe we've really got somethin' fer where else can yuh git two boxes of Hum fer 31c. You know we used Hum in our washer machine and I dunno if we used too much or if it's just derned good soap but we had suds and bubbles all over the cockeyed basement. Yuh notice the price has dropped, too. Aint that interestin'? Wouldcha be interested in gettin' a 46 oz. can of grapefruit juice for only 35c? Yuh know it costs more than that regular and we aint switchin' brands on yuh. We didn't buy in some cheap stuff — it's our regular shelf stock we're givin' yuh — and we do mean givin' yuh. Then while yuh're in the canned goods department yuh might as well git yerself 3 cans of Campbells tomato soup fer 29c doncha think?

This week we caught the boys off'n the ladder and we got an inside step-over toe hold on 'em just long enuf to git a few things fer the ad. They sed they guesst they'd sell their Hunter hams at a special price to git yuh folks acquainted with some really good ham. Now the shank end they'll give to yuh fer 39c a lb. The butt end they're offerin' fer 59c a lb. Wear it — tear it — and compare it — and we betcha it'll be the best ham yuh ever et. Have yuh ever et our bacon? If yuh aint yuh aint lived. It's our own cure and our own smoke. If yuh like yer bacon sliced so thin yuh can read Dick Tracy thru it — we fix it that way fer yuh — or if yuh like it thick so yuh can really taste it — we'll slice it that way fer only 59c a lb. To go with that elegant tastin' bacon we got strictly fresh large eggs fer 47c a dozen. If you can't eat a big egg git some medium sized ones fer 41c a dozen. Maybe you don't know it but there's a lot of difference in eggs — and ours are fresh.

We're gonna grind up some fresh beef special fer meat loaf. They're gonna be in 3 lb. loaves and jest about the cutest things yuh ever did see. Course we can't put the onions and stuff in it — but you can. We don't care! If you want pork sausage in it you can git a one pound roll fer 25c. Fergot to tell yuh that these 3 lb. loaves are gonna sell fer \$1.39. You know we got a parking lot at the side of our store so you can whip right in there and make yerself comfortable. No waitin' in line! Wouldcha wait in line fer a lb. of good coffee. Try S and W fer 75c a lb. this week end. Or wouldcha rather we'd grind you a lb. of Conroys fer 65c????

Farmington Police pointed out that a fire truck is given the right of way and other vehicles must give way and stop at its approach. 500 feet behind the truck is as close as it — and then can follow only at legal speed limits.

Saturday night's fire? Township policeman William Edgar was first to the scene in his radio-equipped car. Using a small fire extinguisher, he put out the blaze in an automobile, gas tank before the firemen arrived.
