HELLO FOLKS

Who? Introducing TED SWOBODA, a successful portrait photographer of 20 years experience, who has the largest studio in Oakland County, located in Rochester on the same spot for ten years.

What? He will have a photograph studio here two days every week to take pictures of children, adults, groups or anyone else who appreciates fine portraiture.

When? Twice a month — on Tuesdays only — from 10 a.m. to 6 p.m. February 28 — March 14 — March 28 — April 11 — April 25.

Where? The studio, over \$2000 in equipment, will be set up in the Town Hall on those days only.

Why? First, the studio is a temporary trial. If the people show by their support they want a photographer here, a permanent business location will be found and a studio maintained.

So What? Photographs make the perfect gift for anniversaries or birthdays — for many occasions. Everyone is interested in having a good photograph of themselves to give to a loved one. Here's your chance. Cut out the certificate — use it. DON'T PUT IT OFF! PLAN NOW!

Meadowbrook Murmurs
By Mrs. Dean Eckert
PHONE 0337-M

Don't look now but that's a city right behind you. So now our Meadowbrook is living up to its name more than ever. Neighbors facing south on Eight Mile must feel like they're on grandstand seats, ready to see the new city of Livonia fairly burst into view. For those who have lived here since one could hear a snowflake drop, this step of incorporation is just one more page added to their book of memories. "Goodbye to Country Living".

The business of "What is Clarenceville?" should just get settled now with "Livonia" withdrawing from its borders. Never incorporated, though often proposed, Clarenceville covered a territory in three townships and two counties, Oakland and Wayne. "With Livonia Township now a city in its own right, the parts of Clarenceville represented in Redford and Farmington Townships are split apart. And the "Clarenceville" applies only to our school system.

The new gym at Clarenceville High not only had a formal initiation last week, but following it, we understand, a most hilarious, strenuous initiation. The men of the faculty donned basketball trunks and took on a practiced team on the "Thursday night men's recreation group". It seems the latter team won, but the faculty boys were just being polite? Merry wrestling matches for the ball and human ladders for short baskets should count. Let us know when your next game is coming up, fellows. We don't want to miss it.

Yes, you can play Canasta Saturday night. You'll find several tables of this popular game going, and bridge, of course. Anything you're in the mood for. It's all at that wonderful new gym again and that party is sponsored by the Clarenceville Pathfinders. Your small fee at the door won't hurt much for the evening will be full of fun and prizes, and the hoped-for profits will help sponsor a summer recreation program for your youngsters. It starts at 8 p.m., folks. Sidney Kendall of 20177 Farmington is chairman of the entertainment, and McLaughlin, who is secretary for the Pathfinders, is handling the problem of refreshments, all to be donated by members.

A huge vegetable "plantation" at Imley City was visited by the Harry Shafers of List Street Sunday. Thrilled by the vast stores of wonderfully fresh-looking vegetables, Mrs. Shafer didn't mind being "snowbound" now. She's practically planting that summer garden already, we'll bet. Their son, Edward, his fiancée, Miss Violet Minchefs, and her parents, the L. Minchefs of Lincoln Park, were also among the 20 dinner guests sampling the farmer's wares.

Capitol stepped in at our place Valentine's Day to whisper a few secret words. At the Shafer's the wedding gown is all handy and the rings, too, for Violet and Ed's wedding. They're waiting until June, however, though that's just around the corner. Even closer coming up is the April 15th date that Gerry Priebe of 20235 St. Francis Street has set for her wedding. Lucky bridegroom is Jack Williams and what a family he is joining. Mr. and Mrs. Richard Priebe, Gerry's parents, have three children at home and three married to date.
