Workers in the election places last Monday report they reached home and bed about 5 a.m. Tuesday morning. It was easy enough to count votes for and against incorporation, but it proved more difficult to figure out which nine "good men and true" shall write up Livonia's charter and get our new city headed in the right direction. Most of us find ourselves feeling just the same as before we became "cited".

Police officers addressed the Youth Fellowship meeting in the Livonia Methodist Church Wednesday night to encourage the young folks to steer clear of the common forms of juvenile delinquency.

Open the door

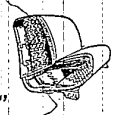

... and get the Ford "Feel"

Ford's new push-button handles open at a feather touch. Anchored at both ends, sleeves can't catch.

Sit in the foam rubber seat

... and get the Ford "Feel"

New foam rubber front seat cushions, over non-sag seat springs, give buoyant "easy chair" comfort for long-distance driving.

Swing the door shut

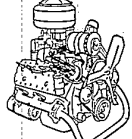

... and get the Ford "Feel"

Convenient arm-rest door closer provides a finger-tip grip for easy operation. New rotary door locks latch silently and securely.

Start up the V-8 Engine

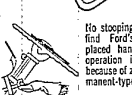

... and get the Ford "Feel"

With new super-fitted pistons, new silent spin fan, new laminated timing gears, Ford's new V-8 is so quiet it whispers while it works.

Slip off the hand brake

... and get the Ford "Feel"

No stooping or groping to find Ford's conveniently placed hand brake. And operation is easier, too, because of one-hand permanent-type lubricant.

Step on the gas

... and get the Ford "Feel"

Just signal for power on the gas pedal—and feel Ford's mighty powerplant respond! V-8 or Six, both are tops for smooth, sparkling performance, whether you drive in traffic or really travel.

Steer for the bumps

... and get the Ford "Feel"

Ford's famous "Mid Ship" Ride cradles you in the level center section for super comfort. Ford's great team of "Hydra-Coil" and "Para-Flex" Springs simply soak up the bumps.

Touch a toe to the brake

... and get the Ford "Feel"

Ford's King-Size Brakes use part of the car's own momentum for extra stopping power. You get smooth, straight-line stops with 35% less pedal pressure.

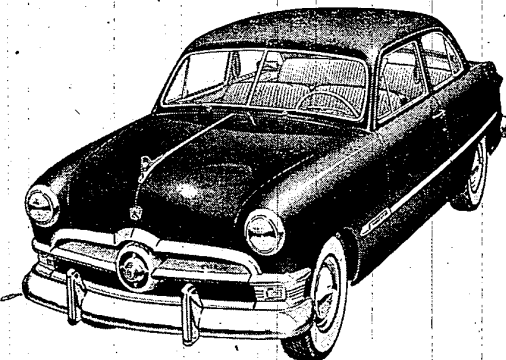

Then step back ten paces

... and get the Ford "Looks"

With "Fashion Car" Styling... with new baked-on colors that are "built to live outdoors"... '50 Ford looks the quality car, too! "Test Drive" it today. You'll find (as more than a hundred thousand others have) that the '50 Ford is the one fine car in the low-price field.
