By MRS. FRED GROSE,
PHONE 2548-R

Three and four degrees below zero several mornings last week, yet Monday dawned a spring day, thawing, with water standing everywhere. There certainly is no lack of variety in Michigan weather, is there?

Been reading the seed and nursery catalog lately? There are some fine ones, and all they cost is the price of a postcard. And it's about time to plant sweet pea seed, and as soon as a row can be laid off, the early crop of spinach can be planted.

Mrs. Karl Leflar at Edgewood has accepted a position as manager of the Dilem's dress shop in Redford.

Mr. and Mrs. Dewey Johnson of Purlingbrook road and daughter Elaine saw the Sonja Henie ice show at Olympia Saturday evening. Mrs. Fred Grose of Tuck Road was hostess at a Stanley party at her home on Tuesday morning.

Mrs. Grose was chosen as one of the top hostesses for the month of February and will be entertained at a breakfast in the Barium Hotel on March 12.

Mr. Bert Hawley and grandson, Freddie, of Drayton Plains, spent a few days with their daughter, Mrs. Eric Walker of Purlingbrook last week.

Congratulations go to Mr. and Mrs. Andrew Hindmarsh on Waldron, with the birth of a son, Dale John, born at Henry Ford Hospital. The newborn tipped the scales at eight pounds, four ounces.

We are a little late in extending congratulations to a grand couple of our neighborhood, Mr. and Mrs. Henry South of Pearl Street. They celebrated their 51st wedding anniversary last week. Mrs. South has been ill for the past month, but glad she is improving now.

The W.S.C.S. of Clarenceville Methodist Church met at the home of Mr. and Mrs. I. N. Nett on Middle belt for their meeting of March. Mrs. Andrew Shoemaker of Parkville Street was hostess at a Stanley party at her home Tuesday.

Mr. and Mrs. Clarence Adams of Plymouth, and Mr. and Mrs. Alvin Hest were dinner guests at the home of Mr. and Mrs. Fred Grose on Wednesday last.

Silverstreaks Win Two To Maintain Top Spot

The Silverstreaks won two games last week, defeating the All-Stars 5 to 4 and the Wolverines 15 to 2 to strengthen their hold on first place in the Eight-Ninth grade league.

The All-Stars, after dropping a game to the league leading Silverstreaks came back to defeat the Hawks 12 to 10 to insure their second-place standing. The Wolverines beat the Hawks, 12 - 3 in only other scheduled game.

The seventh grade league standings remain the same, with the Buckeyes on top of the league with six wins and one loss. Due to the tournaments, no games were played in the seventh grade league last week.

Standings in the intramural leagues are:

Grade	Won	Lost
8th and 9th Grade Silverstreaks	9	2
All-Stars	7	4
Hawks	4	8
Wolverines	3	9
7th Grade		
Buckeyes	6	1
Golden Gophers	4	3
Eagles	4	3

The 1950 Basketball season came to an end for Clarenceville Friday, March 3, in the Clarenceville gym. The Trojans dropped their second game of the tournament, 32 to 24. Even though the Trojans were defeated, the boys played a hard game. They put all they had into their play.

What was the reason the team played so hard?
Very simply answered, they played for the school, not for themselves. The basketball team represents our school as all athletes do, and should be supported by all. We were very disappointed to see many people, young and old, get up and leave before the game was over. The boys were still trying and we don't believe anyone who would come to the game had anything to do that was so important he could not wait until the game was over. The boys played a very good game and we are all very proud of them.

Even with three minutes to go and the team only six points behind, some believed that the difference could not be made up. The team certainly didn't quit, nor could it have left the floor had it wanted to and it certainly didn't.

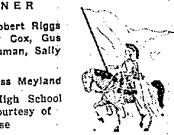

It is thought to be lucky for people to stand during the home team's half of the seventh inning at a baseball game.

burg are proud parents of a baby daughter born on January 30. Mr. and Mrs. Robert Lightfoot spent Sunday at their parents' home, Mr. and Mrs. Troutman on Anglin Road.

Mr. and Mrs. Richard Bynum of Ann Arbor spent Sunday afternoon with his grandparents, Mr. and Mrs. Henry South of Pearl Street.

Sunday, March 12, at 7:30 p.m. the "Singing Cop," Wilbur Legree, from Flint, will have charge of the evening service at Clarenceville Methodist Church.

I hope you will call me if you have news, so we can make this column an interesting one.

NOTE THESE STYLE LINES WELL. They're straight out of the Buick Riviera book — and they cloak interiors that are roomy as much-higher-priced cars.

FORE AND AFT — a Beauty and a Buy

It's lithe, long and lovely—and it calls not just for one look, but for two.

See how this sleek Sedan looks coming down the road—bold grillwork shining, broad bonnet purring with power, and the wide, curving, unbroken sweep of a one-piece windshield giving you horizon-wide outlook.

And spot the pretty picture you make going away. The broad, wrap-around rear window and topside styling in the Buick Riviera manner.

The graceful, spacious trunk, the "double bubble" taillights, the sense of high-fashion sleekness in everything from rear fender lines to the curve of the roof.

Yes, that's beauty—beauty in the unmistakable Buick manner. But observe also:

Interiors are extra roomy in all dimensions. The biggest you can buy for the money, we believe—and bigger than many higher-priced cars.

And, since this is a Buick SUPER, there's sensational new power under the hood—Buick's own F-263 Fireball straight-eight, this year's big news in valve-in-head power.

Yes, when you go stepping in this one, you'll really step—with roominess and top-draw styling and the level going of all-coil springing—yes, and Dynaflow Drive* too, if you choose—making your pleasure complete.

The price? Well, drop in on your Buick dealer, ask about the SUPER 126 and be prepared for happy listening. Here's a buy—a big buy you'll lose no time getting behind a Buick wheel.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Features like these mean BUICK'S THE BUY

HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.)
NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view, both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and maneuvering, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-absorbing torque-tube • DYNAFLOW DRIVE standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series • WIDE ARRAY of MODELS with Body by Fisher.
