4-H CLUB WEEK
Through its many projects furthering an interest in agricultural skills, the 4-H Clubs are making better prepared and more alert young Americans.

Our strength as a country and as a world power depends first of all upon the strong backbone that can be supplied only by our farmers and home makers.

Boys and girls early trained to work with their hands, head, and heart in the establishment of family and national health and happier living are already contributing much toward a more stable future. This week, then, we pay special tribute to these 4-H organizations which are playing an important part in preserving and developing America's welfare. S. S.

Cheerleaders Sponsor Last Pep Meeting

The cheerleaders sponsored the last pep meeting of the year. With Virginia Fryhoff as announcer, things began to happen.

First, a member from each class lead their grades in a cheer. After the student body resettled themselves, Virginia called for the grade school cheerleaders. To the surprise of the whole assembly, Miss Alice Montes, Miss Shirley Rowe, Miss Freda Olschewsky, Miss Margaret Lingo, and Miss Ann Metzger came bounding on to the floor. They joined the senior leaders in different yell.

Nancy Snyder and Sandra Hupert gave a short pep talk. The school song was sung before dismissal. H. W.

Bowling Pace Is High

With both the high game of 176 and series of 441, Ruth Hamlet led the league last Tuesday. Barbara Jones had the second high game of 150, and Florence Wallace the second high series with an even 408.

The team's standings have changed, though the Pin-Ups still lead. They are followed by the Lazy Loafers, the Three Hundreders, the Lucky Strikers, the Cutter or Nodders, and the Four Tears respectively. R. H.
