Extended Area Service
Hikes Volume Of Calls

In the few weeks that have elapsed since the addition to the extended-area telephone service plan here on January 8, the arrangement has been well accepted by

telephone users of the new service. E. E. Schreit, manager for the Michigan Bell Telephone Company, said the volume of calls by business customers to Mayfair, Livonia, Southfield, and Walter Lake, and by residence users to the same places in addition to Detroit Area 5, is running considerably higher than during the period when toll charges were in effect.

Next meeting of the Farmington P. T. A. will be on March 17. This meeting will be concerned with the PTA and an American Legion Committee of the Farmington Auxiliary of the Veterans of Foreign Wars. Various organizations will be invited to

attend. A total of \$337.65 was realized

from the event. Mrs. Beebe said.
