MSC Offers Course In Food Distribution

Dr. Kenneth Wilson, professor of business administration at Michigan State College, has been named director of a new Curriculum of Food Distribution financed by an \$87,500 grant from the National Association of Food Chains.

The new curriculum, first of its type in the nation, is designed to train students for executive and managerial positions in retail food distribution businesses.

The course will be in full operation by September, according to Dr. Herman J. Wynyard, dean of the MSC School of Business and Public Service.

Michigan State College, selected from a group of more than 20 colleges and universities considered for the grant, will receive \$17,000 annually for five years.

The program will embody undergraduate and advanced studies leading to a master's degree in food distribution, including management, merchandising, marketing, finance and accounting courses.

Mrs. Landgren says the plant dwarfs any amaryllis at the Flower Show.

Civic Association Holds Dance

Ralph Shepard, president of the Floral Park Civic Association, has announced the group will hold a dance April 14 at Glen Oaks country club. It will be the third of a series of dances the group has executed to maintain a close-knit community with "that old fashioned neighborliness", according to Shepard.

Two other attempts at major social activities have failed so far. The summer picnic, extensively planned, had to be called off because of the polio epidemic. "The Halloween street dance was lighted by an unexpected cold snap. Shepard reports attendance was still good.

A note of confusion was added to the spring dance plans when chairman Jack Cotton, of Linc Street, accused the father of an eight and a half pound baby girl during the dance preparations. Mr. Shepard says he is "thankful Mr. Cotton has been able to successfully keep his mind on the two important events at one time."

Cotton has obtained the Glen Oaks Country Club for the dance, plus the music of the "Melody Hour." Admission will be by ticket only. The members of the executive board of the Civic Association have tickets.

The dance is not open only to residents of the Floral Park section — Shepard states everyone is welcome. The dance will begin at 9 p.m.

NEW IDEAS CAN SAVE TIME FOR BUSY HOMEMAKER

Minutes saved add up to hours saved and those hours saved quickly add up to more leisure time for you to do more of the things that you think you have simplified down to the least possible effort and time may be cut even more.

Everett, home management instructor at Michigan State College, makes a few suggestions that offer a period of time will add up to more free time for you.

For example, you may have used the electrolytic method of cleaning silver and thought it time-saving, but have you heard the latest about that? Putting soft water in a shiny aluminum pan with one teaspoon of salt and one of soda for each quart brightens countless pieces of non-ferrous silver with one minute of boiling. It's a quick and easy method but one must scour the pan to make it bright again.

If you substitute a porcelain enamel pan with a piece of aluminum foil that can touch each piece of the silver, you'll have bright silver and no pan to scour.

Evening cooking lettuce can be simplified. A stout rap of the core on a hard surface will break it free so that it can be lifted from the head. Loosening the leaves with cold water makes the job a simple one.

Freddie Miller, 11, son of Mr. and Mrs. Roy Miller, underwent an emergency appendectomy Friday afternoon at St. Joseph Mercy Hospital in Pontiac. Freddie became ill Friday morning and was operated on at 2:30 p.m. Mrs. Miller says he may be home this week end.

Brownies Visit Flower Show

Brownie Troops 175 and 176, consisting of 26 girls and five leaders, visited the Detroit Flower Show March 29, where they met Pat Tuban of the "Pat and Johnnie" television show. The Brownies obtained her autograph at the Crippled Children's booth, where they purchased flowers for crippled children.

Tickets for the girls were obtained from the Detroit Department of Parks and Recreation. Headquarters of both troops are at Our Lady of Sorrows Church.

COUNTY FARM BUREAU

The Oakland County Women's Farm Bureau met at the home of Mrs. Frank Winterhater, 630 Tippeco Lake Road at Milford March 21, with 10 delegates and 10 Farm Bureau women present. Mrs. Dewey Stever, chairman, reported from State meeting that there are 1,405,273 Farm Bureau members in the United States.
