RURAL YOUTH ENROLL TO BE 4-H GARDENERS

Now that they have received the signal — brightly colored catalogs — rural boys and girls throughout the nation are anxious to get started in becoming expert 4-H gardeners.

It is estimated that more than 300,000 of these youth will take part in the 1950 National 4-H Garden program, in it they will learn how to manage a well-planned garden, carry out a program of insect and disease control, and market produce in an economical and approved manner.

Through their garden project, they will increase individual and family incomes by reducing the amount of food purchased. They will also contribute to better family health by producing sufficient amounts of essential and nutritious vegetables and fruits for use throughout the year. Illustrative of what 4-Hers accomplish, club members raised 100,000 acres of gardens throughout the country last year.

Incentives for outstanding achievements in gardening include gold-filled medals of honor for four county winners, and an all-expense trip to the Chicago 4-H Club Congress next November for state champions, provided by Allis-Chalmers. Eight national winners selected from the state champions will each receive a \$300 college scholarship.

Winners were named in 63 counties in Michigan last year. The 4-H Garden program is conducted under the direction of the Cooperative Extension Service. County extension agents will furnish complete information.

Speaks April 12 and 13

DR. ELIAS denAREND
Dr. Elias denArend, converted Dutch Jew, will be guest speaker at Gaylor Baptist Church April 12 and 13. On April 12 he will speak on the topic, "Is There a Nation of Israel?"
Dr. denArend served with the Dutch underground during World War II, finding hiding places, money, clothing, and ration cards for the persecuted Jews in hiding. Pursued by the Gestapo, Dr. and Mrs. denArend were forced to flee. They wandered from place to place for four years. In June, 1947, the denArends arrived in New York. Since that time, Dr. denArend has been representing the American Board of Missions to the Jews.

Have you tried Hudson's "New Step-Down Ride"?
It's the basic new automobile idea for 1950!

PRICES LOWERED AS MUCH AS \$166.50

Most Room! Best Ride! Safest!

It's here for you now... a delightful, new way of motoring... the direct result of Hudson's exclusive recessed floor ("step-down" design).
Low-built design instantly telegraphs the fact that Hudson is the lowest center of gravity in any American automobile.
You quickly see, too, that Hudson has full road clearance and more seating room and head room than in any other car—thanks to "step-down" design with its recessed floor.
You know instinctively, as you view this low-built beauty, that it hugs the road more tenaciously and is therefore America's best-riding, safest car.
You command your choice of three great Hudson high-compression engines... the economical Pacemaker Six... the Super-Six, America's most powerful Six... or the even more powerful Super-Eight!
There are many other Hudson features that combine to make this car of such outstanding quality that it is a leader in resale value, as shown by Official Used Car Guide Books! Come in, try "The New Step-Down Ride!"
