

Miss Zarzycki Weds H. Miller

Catherine Zarzycki, of 27684 Halsted Road, became Mrs. Howard W. Miller, Jr., Saturday evening at a double ring wedding ceremony performed at St. Paul's Lutheran Church in Northville.

Miss Zarzycki is the daughter of Mr. and Mrs. Joseph Zarzycki, a graduate of Farmington High School. Miss Zarzycki has been employed at the McWilliams Convalescent Home. Mr. Miller, son of Mr. and Mrs. Howard W. Miller, Sr., of 46401 West Grand River, is a Wayne High School graduate employed at his father's garage in Novi. He served with the Navy in the Philippines during the war.

Maid of honor at the 2 p.m. wedding was Miss Stella Zarzycki, the bride's sister. Bridesmaids were Mrs. Helen White and Mrs. Pauline Regentik. Mr. Richard Miller, groom's brother, performed the duties of best man, and Douglas W. Watson and Robert Elbert were ushers.

Miss Zarzycki was gowned in eggshell brocade satin, with a full train. Her gown had the classic sweetheart neckline, long sleeves, and fingertip veil. White carnations and roses with pink camellias made up her wedding bouquet.

Slipper satin was chosen for the bride's attendants; orchid for the maid of honor, pink and white carnations for the bridesmaids. All carried tall-tan roses and white carnations.

The mother of the bride chose a print dress with black and white accessories for the ceremony, while the groom's mother wore navy with navy hat and shoes, navy purse and pink gloves.

Selma Schunte provided organ accompaniment for Mrs. Max Mirkand, vocalist. Linda Trench was flower girl.

Following the ceremony, the couple was honored at a reception held in the Novi I. O. O. F. Hall, where Mrs. Mary Hauser and Mrs. Thelma Shultz served refreshments. The couple then left on a wedding trip to Waco, Texas.

WASHINGTON MERRY-GO-ROUND

(Continued from Page Two.)

Why if we could force Russia into calling a conference. We should remind the world that we have called conference after conference. Time after time we have gone to Moscow, while Russia has taken no initiative for peace. But the world has forgotten this. We need to remind people of this fact—over and over again. We have been called warmongers so often that the world is beginning to believe it. And we have been either lazy or bumbling or both in showing that just the opposite is true.

3. HOLD the next session of the United Nations assembly in Moscow. This is Sen. Brien McMahon's idea, and an excellent one. Most of the Russian people have a distorted notion that the U. N. is not a free and democratic assembly, that Soviet delegates get no breaks, that the cards are stacked in favor of imperialism.

4. IF MOSCOW will not call an international conference, then we have the excuse of holding a whole series of conferences under the North Atlantic pact. As Senator McMahon once again has pointed out, the North Atlantic pact provides not merely for military assistance, but an Atlantic council to handle political problems.

5. BUT MOST important of all we must reach Moscow's Achilles' heel. This heel is friendship with the Russian people.

Most of us forget that the real reason for the Iron curtain is to protect the weakest point in the Russian armor—her people. For what the Kremlin fears most is contact of the Russian people with the outside world.

All this indicates that friendship with the Russian people is the real way to win the peace. But despite this it is also the point we have most neglected.

To get variations in broiling temperatures in an electric range leave the oven door partly open. This trick also keeps the heating unit on and prevents possible smoking. Or you can place the broiler pan at different distances from the heating element to vary the temperature.

Firemen Called To Put Out Car Fire

Farmington's volunteer fire department was called out late Monday night to extinguish a fire in the car of Pete Tata, 23241 Prospect. Firemen, called out at 12:30 Tuesday morning, found the rear seat of Tata's car in flames.

Firemen said the blaze was caused by an unattended cigarette in the back seat of the car. Damage, estimated at \$100, consisted of loss of the rear seat plus smoke and water damage.

Exchange Club Presents Basketball Emblems

Senior basketball lettermen of Farmington High School were presented with basketball emblems by the Farmington Exchange Club last Wednesday when the boys appeared before the club. Coaches Robert Hutton, Robert Burch, and William Nuse also attended the meeting.

Presented with the emblems were Dick Pupper, George Barrons, Dave Dirsmyer, Lee Tyler, Herb Deubel, Dick Louys, Charles Markham, and Homer Majors. Clark Bates and Tom Sechler, managers, also received the emblems.

SUNSHINE LADY ASKS CARDS FOR HOME-BOUND FOLK

People in all walks of life are beginning to find out that our cities are full of wonderful people, badly in need of cheer.

Among the many who wish to do something about it is Bob Leslie, of radio station WJW. Recently during his "giveaway" program, he came across a Mrs. Emma Logan, 4105 Bagley Avenue, Detroit 9, Michigan. She was lonely and blue.

A teen-ager who wonders why she must go on living because of her very long illness can also be cheered by just a short note. She is Josephine Justice, care of the Greenview Hospital, East Jordan, Michigan.

Miss Fran Blay, who has been a shut-in for many years at the Wayne County Hospital, Eloise, Michigan, recently underwent a tonsillectomy. A card at this time would brighten her days.

mail. Both are in "A" Building, 202.

Mr. Robert Smith, c/o Maybury Sanitarium, Northville, has been a shut-in for the past 13 months. He has a charming wife and two small daughters waiting for him to get well.

Dante Zuccaro, 15, of 4615 Guler Avenue, was paralyzed from the waist down two years ago when a playmate accidentally shot him.

The Sunshine Express, that early morning program on radio station WKMH, Dearborn, does much to cheer folks. It has a new project in which you can help, even if the time is short.

Mrs. Elsie Grimit, 12215 Prevoist, has a new zone number. It is now "35". Mrs. Grimit still spends many hours with the shut-ins at Glenbrook Hospital, Newburg Road, Farmington. Rev. Fred Fisher is also still spending his Sundays cheering the folks at Glenbrook.

Pery, Maine, is halfway between the equator and the North Pole.

When food spills over on the surface units of your electric range let it char. When the unit is cool, brush off particles with a brush. If needed, enclosed units may then be washed off.

For ease and convenience when broiling food, use aluminum foil or parchment on the bottom of your broiler pan. You can slide it off quick as a wink and save cleaning time.
