

Mrs. Patty Schult, of Shadyside Avenue, was reported a flu victim Monday.

In an average package there are approximately 93 yards of spaghetti.

FOR THE
HOME-INDUSTRY-FARM

WEE-BARRO

What is WEE-BARRO? It is the trade name for our new utility
wheeled wheelbarrow. It is lighter, stronger, handier than the
cumbersome older type and CARRIES EVERYTHING. Designed
for constant use in the home, on the farm and in industry.
WEE-BARRO is an entirely new type of wheelbarrow — stream-
lined to meet modern requirements. It does not possess the usual
body and you are therefore free to use any type receptacle best
suited to the work at hand. Without a receptacle, you can use it
to carry tools, lumber or any number of other items.

Weights only 10 1/2 lbs., very sturdy and smooth running
with blinch rubber tired wheels. Handles fitted with com-
fortable semi-soft rubber grips. All corners are rounded —
no rough edges.

You can put this new type carrier to hundreds of different uses —
carry garbage pails, firewood, milk cans, feed bags, rubbish and so
on — then, when the work is done — simply hang up trusty WEE-
BARRO out of your way.

Priced at only \$4.95, you simply cannot go wrong — because you'll
save double that amount in labor, time and backaches during the
very first week you use it.

In industry, shipping departments will find it indispensable. Print-
ing establishments, factories, supply houses will need several. In
fact, any type of business where carrying goes on will find WEE-
BARRO a real time-saver and, therefore, a money-saver.

Get in touch with us today while the matter is fresh in your mind
and let WEE-BARRO begin to work for you.

Seniors Hold Carnival In Gym April 21

When April 21 rolls around the Seniors are giving out with the best night of entertainment offered in a long while. The old-time Clarenceville Carnival is being re-styled with new and added attractions, plus all the enjoyable old ones. Judging from the plans that are being made for the big event, there'll be lots of fun for folks from six to sixty. Rumors are flying that the refreshments are going to be extra special, consisting of chili, hamburgers, pop, candy, potato chips, and goodness knows what else.

Besides all of this, the special feature of the evening will be a floor show which is sure to make a hit with everyone. There will be talent from all classes in high school with emphasis on a skit by the seniors.

So circle the date on your calendar and don't miss this great affair.

Sardines are packed closely in a can because the fish are cheaper than the olive oil in which they are packed.

Boys' Republic Choir Sings For Assembly

On April 6 the choir from Boys Republic of Farmington visited Clarenceville and entertained the students with an Easter program. The choir, under the direction of Mr. J. K. Smith, a staff member, consisted of 28 boys. It has been in operation only since January.

The program was composed of a group of eight pieces, sacred and secular. The first piece was "Fair-est Lord Jesus". Others were "Hear Thou Our Prayer, O Lord," "Climbing Up The Mountain Child," "I'm Going To Lay Down By The Riverside," and "The Old Ark's A Moving and I'm Going Home."

In the last piece George Wagon sang a tenor solo. At the conclusion of the piece the choir took a short rest period, following which they sang three more numbers. These included "The Story of John Paul," "Mister Banjo," and "Now The Day Is Over."

At a request for another the choir sang "America" and repeated it as the students all joined. Arrangements have been made for the Clarenceville Girls' chorus to sing at Boys Republic.

CLARENCEVILLE NEWS

By MRS. FRED GROSE

21160 Tuck Road

Telephone 2546-R

Mrs. Edna Nelson of Oxford Street returned from an eight weeks vacation in Florida and Texas. Several of our young men from different colleges are home for Easter vacation, but 1 hear the mothers have plenty for them to do. So it's a guess whether it's a vacation or just time away from school.

Mr. John Drury of Robinson Street spent a week in Alabama and visited the "Ave Maria Grotto" on the campus of St. Bernard College, near Cullman. Begun in 1932, the setting was beautifully landscaped with small rock plants, little lagoons and streams, by monks of St. Bernard's Abbey. It has miniature reproductions of the Vatican, 40 temples, mosques, and churches.

Mr. and Mrs. Bert Colburn returned home Sunday after a two week vacation in Florida sunshine. Two of our young musicians in this community, Miss Maureen Waack and John Robertson, played for the Kiwanis Club in Farmington last week. Miss Maureen Waack won the scholarship to Michigan State College for a three week's music course. Both are students at Clarenceville High School.

Mr. and Mrs. Nicholas Miller of Aradway had as their guests for the week end Mrs. Miller's mother, Mrs. Frank Burkett, and sister, Mrs. Myrtle Wing, of Ithaca, Michigan.

Mr. and Mrs. Leon Newman spent Sunday at the home of Mrs. Newman's mother, Mrs. Vereburg of Fowlerville, Michigan.

Mrs. Vera Lawson and son Ed called at the home of Fred Grose last Sunday evening.

Mrs. Arthur Hocking spent Monday with Mrs. Cora Chynoweth in Detroit.

Mrs. John Lewis was pleasantly surprised when several of her friends gathered at her home on Parker to wish her a happy birthday.

Mr. and Mrs. Ed Holacaw and sons, Larry and Rodger, of Holly, were Easter dinner guests of Mr. and Mrs. Merle Shuffett of Parkville.

The W. S. C. S. of the Methodist Church held a miscellaneous shower on Miss Wilma Hood at the home of Mrs. Bert Bollino, on Waldron. Miss Hood will wed Mr. Paul

Waiting for the stork was like waiting for the road repair trucks to arrive. But he finally found our street April 6 and there's a cribful of boy over in the corner to prove it. We paid postage for 9 pounds and 3 ounces and named him Fredrick Ross. Of course, for now he's little Freddy.

"Big Sister" Deanna had offered to take over this column for a while but it looks as though she's pretty occupied. Wishing that new little brother wouldn't sleep quite so much!

There's a new baby in Mrs. Anna Keller's family now, too. Son-in-law and daughter, Mr. and Mrs. Charles Leyschock of 10002 Shilwaukee, Detroit, made her a grandchild for the fourth time. Little Kathleen arrived March 28th and a big girl she was, weighing 8 pounds 9 1/2 ounces. She's a welcome playmate for 14-month old sister Suzanne and Dennis, age six, is pretty pleased with her too.

Mrs. Keller has been in a busy whirl this spring, tackling a man's job with her popular greenhouse, working with Cub Scouts, and engineering big changes at her home on Eight Mile Road. Since the Elson Lynch family moved to St. Marys Street, Detroit, workers have been busy converting the large house to a two-apartment dwelling. Mr. and Mrs. Robert

Lynch remain to occupy one of the nice new apartments.

Well, five little Brownies "flew up" recently, and we don't mean in an airplane. We learn something new every day, and "flying up", we find, means one is old enough to be a full-fledged Girl Scout and that means 10 years old. Carol Dennis, Gretchen VanCamp, Donna Rice, Lorraine Hawley, and Patricia Nye are the new Tenderfoot Scouts. We were going to say "Tenderfoot" but that would sound as funny as "flying up".

Beautiful Easter aprons for their mothers were the latest thing in handcraft tackled by the Scouts of Troop 2. Eager to learn, Brownies Troop 4 took advantage of their "Monday off" by taking a trip through the Twin Pines Dairy. And Troop 8 of the Girl Scouts spent their day at Belle Isle where they viewed the flower display and did bird study for their nature badges. They traveled all the way by bus to get a better idea of transportation problems of a city.

Back from the big city is Mrs. Donald Ward of 21403 Jackson, who visited her husband in Chicago for ten days. Mr. Ward is now affiliated with a new concern, and is temporarily working in Oak Park, Illinois.

They're still talking about the fun they had that day, the Clarence-
