WATCH OUT FOR KIDS ... in the special pice issued this week by traffic safety leaders and polices officials. It gets top billing with us this week and may week — "light at the head of the column. The pice has been prompted by be-spurt of spring weaker was are enjoying." More a spring the girls will be outside, riding theory for the short, and playing baseball. So keep a sharp back to youngsters — remember, your cantion and quick action may are a life. Let's keep our children playing:

WE KNOW NOW . whit is genuine, accredited, 1095% Spring. Why? We saw a con-vertible full of teeners dashing through town hast week. Just what her nadsters come from every spring is something we have never been able to figure out. All whater long, genuine winter, that is, they're instable. But when the say starts to run the youngeters start to drive. Or vice versa. Anyhow seeing a topless '28 Model A Ford full of teen agers withous tackets makes us think Spring is really here. We haven't seen a top down since the baimy days of last December.

OOD BITS... of unusual wisdom are often found at the end of a column in a news-paper. Known in the trade as "filters", these intellectual gems are often inserted to fill an odd portion of column left over when a para-graph waan'i long enough. They contain some unusual statements. For instance, did you know that George Wasshington had red hair, or that Christmas isn't a legal holiday in Kansas? Or that there are no filter, mosquices, or insects in Mexico City? A whole encyclopedia, a newspaper. And all for a nickel.

Hights and the ercetion of protect-ive fence. Hall stated that studies have shown that the present athletic field behind the high'school is not suitable for the creation of lights because of grace limitations. A special election has been set for May 5 to determine whether or not the residents of the School District will authorize the raising of one mill for two years. The increased will authorize the raising of one mill for two years. The increased tas levy is necessary to finance the field lighting project. The Commission delayed action on the request pending turcher in-formation from the School Board on the amount the lase agreement. Mayor Dolos Hamilm stated Mon-caled as soon as the information is prometable.

CLEAN-UP DAYS IN CITY SET FOR MAY 9 - 10

The City Commission has desig nated Tuesday and Wednesday, May 9 and 10 as Clean-Up Days in the City of Farmington.

S that lot as Clear-top Days in the City of Farmington. Pick ups by trucks will be made during the two day period through-out the City. Persons are request-ed to remember the special Clean-Up Days and have trash ready when the campaign begins. Resi-dents are asked to put all trash and rubbish to be picked up on the curb in front of their homes.

City officials warned that no gau age should be included with th Jack and the included with the trash. Regular garbage pick-ups are made regularly throughout the City on Saturdays of each week.

Township Initiates Road Repair Plan Initial action was taken by the Farmington Township Board at its regular meeting Tuesday evening for the repair of the roads through-out the Township of Farmington.

Jerry Plum turned in a brilliant bers was the Clarenceville catcher. nohitter as the Farmington Fal-Dick Alexander, Falcon second con baseball team onead their 1350 baseman, got the first hit of the season Tureadary with a 2 to 0 vic bail gune, a single in the first inni-tory over the Clarenceville Trojan, ing. He was lett stranded, how-nine on the Farmington diamood. ever, as the Trojans hore down to Plum, in shutting out to Clarenceville half of the third inning when the batters. Two of the 10 strikeouits Falcons worked across an uncarri-came in the last inning. Dick der nu to take the lead. Tupper was behind the plate for Farmington. The Falcons works durous and the stroig fance Farmingtons trobbe throughout y the Trojan second baseman. He the seven inning contest. out the Township of Farmington. A two man committee consisting of Harry McCracken and Thomas Tardy was appointed to make a survey of the roads in the Town-ship in order to form a definite plan of road repair. The Board verbally agreed that action should be taken to relive the had road conditions agreed that action should be taken to relieve the had road conditions; wherever present in the Township. It was also suggested that roads should be repaired as soon as possible so that pressons can get in and out of the area. Representa-tives of the Township will also meet in and out of the area. Representa-tives' of the Township will also meet with the County Road Commission in order to work out a program for the repair of County Roads. According to the Board every effort will be made to get relief ifrst to (Continued on Page Twelve)
