## Two Men In Stolen Car Apprehended By Police

Farmington police apprehended two men in a stolen automobile last week after Officer Ralph Auten Jr., while on his way home after duty, reported the strange behavior of a 1950 Mercury.

Auten noticed one window broken out of the car. The Farmington radio car was sent to the scene and the two occupants were brought to the station, where checks revealed the car to be one reported stolen in Dearborn.

The men in the car gave their names as James W. Schmalz and Samuel R. Locklear, both of 33340 Shilwassee Avenue. Neither could produce an operators' license of registration. Both were turned over to Dearborn police. The owner of the car, Frank Bigos of Dearborn, appeared at the station and reclaimed his automobile.

If King Euthymides II of Bacteria (235 B.C.) could return to the earth today he would find nothing new about 75-25 copper-nickel coinage such as the United States five-cent coin. Even in his day the mint of his ancient Asian domain was busy turning out coins containing 75.5% copper and 24.5% nickel.

With spring getting such a late start this year, folks in "these here parts" are having to work fast. So, isn't it a comedy how much time we have to spend just standing leaning on rakes or shovels and looking? But that's spring, and what can you do about it?

Mothers' Day being the next holiday coming up, it's a pretty good time for a Mother-Daughter banquet, we think. So tomorrow night, May 12, is the date and the event takes place at the St. Paul's Lutheran church school on Middlebelt.

that important crew in the kitchen are Mrs. Harry Garchow and Mrs. Vern Piehler. And getting the dining room ready will be Mrs. Lawrence Scheller and Mrs. George Burkowski. Mrs. Carl Sarnes and Mrs. Martin Ulrich are making program arrangements and they say that the speaker of the evening will be Rev. Robert Granow of Nazareth Lutheran Church in Detroit.

Celebrating Mother's Day this year for the first time is Mrs. Richard Schulkins, 21110 Middlebelt, who presented baby last Tuesday, May 2, with a six pound, 11½ ounce baby daughter. Sharon Alida is her name and what proud grandmas she found waiting! They are Mrs. Alida Houghton of 25755 Eleven

Millie Road and Mrs. Melinda Schukins, 24560 Floral.

Mrs. Anna Keller is grandma again with the arrival of another May 2 baby, eight pounds, six and one half ounce Victoria Joanne Seal. "Vicky" is daughter Velma's second little girl and will be a nice playmate for 2½ year old "Cindy", Cynthia Ann. Mr. and Mrs. Robert Seal live at 16332 Woodworth in Redford Township.

Mrs. Keller has been ill recently and is very grateful to her new helper in the greenhouse, Mrs. Phyllis Hite.

Sunday it was birthday number three for Carla, younger daughter of the Allen Siders, of 29342 Scotten. And swinging on the new swings were sister Karen and neighbor Gary Hasley and Deanna Eckert. Her grandmother, Mrs. Lella Snider, aunt and uncle, Mr. and Mrs. Harold Benstiel of Gliman Street also were there. And we hear the ice cream and cake were mighty good.

## Civic Association To Hold "Get Acquainted" Party

The North Farmington District Civic Association will hold a "get-acquainted" meeting and party Friday night, May 13, at the West Bloomfield Town Hall on Orchard Lake Road.

Prizes, an educational movie, a songfest and refreshments are on the program in addition to a brief business meeting. No admission will not be charged, and the public is invited.

In a frank effort to gain new members, officers will explain the organization's objectives. Chief among these are to preserve the values of residential and farm property, to work for road improvements and to promote civic responsibility, according to the group's officers.

Membership is open to residents of eastern Commerce and Novi Townships and southern West Bloomfield Township in addition to persons living north of Ten Mile Road in Farmington Township.

At the business meeting the program for the remainder of the year will be outlined. This will include a summer picnic and two fall meetings. Plans for a talent show are

in the making, and the program committee, of which Mrs. Thomas Hedet is chairman, is endeavoring to obtain good speakers. Mrs. Edmund Dickie heads the refreshment committee.
