held Monday, June 12.

Mr. Harold Hoppe and Hubert Earle, present members of the Board whose terms expire this year, did not file nominating petitions for re-election.

Those filing are: Hall C. Hancock, Sr., 19107 Angling Road; G. G. Jenkins, 3504 W. Seven Mile Road; Hubert E. Marx, 20099 Pearl Street; Richard Pribe, 20925 St. Francis; and Dallas J. Sullivan, 21000 Piquette.

Tuesday, May 23, was the last day for the filing of nominating petitions. Voting will take place at the Clarencville High School on Monday, June 12. The Annual Meeting of the Clarencville School District will be held following the voting.

Ninety Scout Leaders Attend Clarencville Meet
The Sunset District of the Boy Scouts of America held an area meeting at the Clarencville High School May 18. Approximately 90 Scout leaders attended. Dinner was served by the homemaking department of the school under the direction of Mrs. Winifred Munery.

The program consisted of various committee reports. An instrumental duet number was played by Joan Rutla and Audrey Kennard accompanied by Marilyn Russell; and an instrumental number by Lynn Ruston accompanied by Marilyn Russell.

The Girls' Quartet, Laura Jean Stevenson, Norma Gault, Sally LeMieux and Marilyn Russell accompanied by Mrs. R. Gault sang several numbers. Tommy Rutla led the group in the Scout oath. All of these musical numbers and Mrs. Rutla's portion of the program were by Clarencville pupils.

The speaker for the evening was Mr. A. Douglas Jamieson who has been connected with scouting for approximately 30 years and served in many capacities in state and national scout work. At present he is a member of the Detroit Board of Education and Industrial Relations Director of the Detroit Branch of the Socop-Vacuum Company.

G. V. Harrison, principal of the Farmington High School, announced this week that word has been received that the high school has again been accredited for the coming year by the North Central Association of Colleges and Secondary Schools.

Farmington High School has been placed in the approved list of secondary schools by the Association. The school has a long record of approval by the North Central Association. Only recently the school was accredited by the University of Michigan for a three year period. Which is an important step in the final and broader approval by the North Central Association.

V.F.W. Home
(Continued from Page One)

upstairs room for the future auxiliary.

The post's first activity in its new home and under new officers will be the V. P. W. Poppy Sale, being held May 25, 26, and 27. Members will sell Memorial Poppies in the Clarencville area.

Following Poppy Days, the Memorial parade will be sponsored by the post at 9:30 a.m. with the parade starting at 10 a.m. at Eight Mile Road and Grand River. After the parade, coffee and doughnuts will be served at the new post home. In the event of rain, the same program will be held at 10:30 a.m. at the Clarencville gym.

Mr. and Mrs. George Hines, accompanied by their daughter, son-in-law and granddaughter, spent the week end with relatives in Crowsell.

Miss Tip Schramm will leave on Saturday for Austin, Texas, where she will attend the graduation of her brother, Hugh, from college.

Mr. and Mrs. George Hines, accompanied by her two grandchildren Allen and DeeDee Kramer of Walled Lake were Sunday business visitors in Rochester.

Lillian Hanson and Karen Larson, who went to Washington, D.C. and other points of interest with their graduating class, returned home on Friday.

Mr. George Hines spent Tuesday in Big Rapids on business.

ROLLING DOWN THE RIVER

By Bob Kettler

Doggone, here it is column writing time again and we'd much rather go about getting this lake speedster of ours back in the water. This waiting for the lumberjacks to clear the lake to divide to ice cube size has sort of delayed us. We want to see if the old tug will still churn out thirty-three m.p.h. Besides, it's rather nice on the lake, no flat tires, no speed caps, no traffic lights and no stop signs. Nothing to look out for except other boats and flying fish.

Of course, once we run around the lake we'll be sort of glad to get back to the comfort of our Studebaker. The boat doesn't have such gadgets as shock absorbers, resilient springs and low pressure, easy riding tires. When we land on top of a wave we sort of feel it. Worse than riding horseback. We give silent thanks for the soft cushions of the fine new Studebaker, besides which the gas used by the speed boat in one trip across the lake and back would take the Studebaker from here to Chicago.

Did we ever tell you of a guy we know who is so much fonder of the car than he and his wife have a big quarrel, he doesn't take sides? He's the fellow who told us he had never heard of a perfect man until he married a widow.

We don't suppose the slightly overweight (80 lbs.) fella who sells our Studebaker trucks will appreciate our devoting this paragraph to the service end of the business, but we feel duty bound to ask you to bring the car in for its spring check-up. Those winter diluted greases and oils have taken too great a beating to properly lubricate the car during the summer ahead. For your car's sake, and your own driving comfort do it now. Good idea to have the radiator flushed, too.

Well, what do you know, here's the end, but before we go, we'll pass on the observation of a lady we know. She says she doesn't mind waiting in the car. Those winter diluted greases and oils have taken too great a beating to properly lubricate the car during the summer ahead. For your car's sake, and your own driving comfort do it now. Good idea to have the radiator flushed, too.

Yours,
BOB KETTLER
