You don't neglect
your business......but how often do you
visit your physician?

It's just good sense to visit your physician regularly. Frequent check-ups are "good for the soul." More important, they enable your doctor to discover and prescribe for possible symptoms which, if neglected, could lead to serious illness.

SUNSHINE-LADY
LISTS SHUT-INS
IN NEED OF CHEER

"There is no limit to the good a person can do, if he doesn't care who gets the credit!"

Miss Fran Blay, 4302 Wayne County Hospital, Elmhurst, Michigan, was 36 years old on June 15. Her greatest desire would be for a shower of cards. If you send a card, please sign your name and address. It will make her feel good to be able to thank you.

Mr. George Bidwell, room 314, Herman Kiefer Hospital, Hamilton Avenue, Detroit 2, is also badly in need of your cheer.

For young women who like children, there is a great need for volunteer workers at Children's Hospital. Anyone who is interested is asked to call Jane Scott at TE. 1-0810.

Are You 15 years old? Did you have fun today? A new dress—a special date? If you did, Eleanor Hatten on Sunnyside Avenue wonders if you'll help her send some of your gayety and cheer to her 16 year old cousin, Marion E. Walker. She is a patient at Pleasant Home Hospital, Cass City, Michigan. Injured in an auto accident, she must lie one year or longer in casts. Let's go all out and show her "Hlo can be beautiful!"

Have you heard the "Hub Cap Caravan" on radio station WJBK at 2 p.m. each day? Bob Maybury has taken a great interest in our shut-ins. He, through his program, has made every effort to bring them an extra bit of cheer. This past week, special cheer was sent to each polo patient at the Kenny Polo Center in Pontiac.

Christine Szanti, care of Maybury Sanitarium, Northville, would enjoy hearing from some teen-agers. Mrs. Norma Dir, C-10 VA Hospital, Outer Drive, Dearborn, would enjoy making some new friends while she is shut in.

Mrs. Hanna Burkett, 1120 Owens Avenue, Royal Oak, is a shut-in of three years standing.

Bruce Lindley has had multiple sclerosis for the past 15 years. Cards may be sent him in care of the Detroit Memorial Hospital.

Mr. William Meador, also at Veterans' Hospital, Outer Drive, Dearborn, needs cheer badly.

A friendship card shower is asked for Mrs. Doug Roe, 36657 Bibbins, Romulus. Mrs. Roe is the wife of the superintendent of Redford Township Schools, and has been in poor health for a great many months.

Mrs. Marie Klidd, 15911 Wakeneden, Detroit 23, will be 20 years

To the Editor:

Through your newspaper, I wish to convey my deepest appreciation and heartfelt thanks to the people of Farmington Township who contributed so generously toward the rebuilding of my home, which was destroyed by a gas explosion last March.

I am indeed grateful to my neighbors and friends in the Randall Avenue Eight Mile - Grand River Cut-Off community who opened their hearts and homes to me and furnished me with warm clothing and food.

Very grateful also to The Enterprise for its cooperation, and to the Mothers' Club of Clarenceville. Very gratefully yours, Mrs. Carson Cox, 20822 Randall Avenue.
