Several Bonsai enthusiasts in the Plymouth area have asked the Shibui Bonsai Society of Metropolitan Deritto assist them in forming a local Bonsai society.

Mrs. Lee Flidge of N. Territorial and Dr. Nicholas Sellas of Old Salem Rd., both of Plymouth, are interested in contacting others who have an interest in the art. Mrs. Flidge is a member of the Shibui society.

Members of the Detroit group will be present at an organizational meeting in Room I of Bird School on Sheldon Rd., Plymouth on Wednesday, April II from 8 to 10 p.m.

Bonsai is an Oriental art.

to 10 p.m.

Bonsai is an Oriental art.
It began in China centuries ago where the Chinese learned the secret of growing miniature trees and shrubs in shallow pots, passing the secret down from father to son

AmaryllisMoves Out For Summer

EAST LANSING

EAST LANSING
Do you have a hippeastrum
plant in your home? If you
handle it properly, you can
enjoy it for a long time. says
August De Hertoph. Michigan
State University, horticulurist.
-According to De Hertoph.
his plant, which is sometimes
called amaryllis, should be
planted outside after the last
spring frost. Sink the entire
plant, pot and all in wellplant, pot and all in well-drained soil in a sunny area Remember these are sub-tropi

cal plants
De Hertogh recommends
leaving your hippeastrum
outdoors until early September
before the first frost. Then take

before the first frost. Then take the plant inside and cut off its leaves at the nose of the bulb. Put the plant in a coal 150 degree Ft, dark area for six to eight weeks. Don't vater it at all during this period. When the time is up, place the plant in a warm. sunny spot in your house and start water-ing it again. Your plant will normally reflower during the winter months.

winter months.

De Hertogh says that the hippeastrum can keep up this cycle for years.

These Chinese "artistic pot plants" were trained to resemble old trees in nature. Roughly translated, it means they were carefully cared for overlong periods of time.

In more recent times, the art spread to Japan where it most cases they are pur
