EMU Courts JA Students

The College of Business at Eastern Michigan University will sponsor a Junior Achievement career day on campus April 5 in cooperation with the Junior Achievement chapters in southeastern Michigan.

The day-long program will give an estimated 120 high school students a chance to visit Eastern and obtain information on possible careers.

The one-hour career sessions are scheduled for 11 a.m. and 2:15 p.m. in the various departments on campus.

A luncheon is planned for 12:30 p.m. in Guild Hall with entertainment by "The First Invasion," a group composed of music students. The day concludes with a 3:30 p.m. performance by the EMU Dance Theatre and a drawing demonstration by Barry Avodon of the art department in the McKenny Union Ballroom.

Campgrounds Directory Published

The Michigan Assn. Private Campground Owners (MAPCO) has published its fourth annual "Michigan Campground Directory" listing 14,679 campsites.

The directory of its 157 members campgrounds in 69 counties, contains the facilities provided at each campground, addresses, phone numbers, directions, and a locator map.

All campgrounds listed are open to the camping public. Rate information can be obtained and reservations can be made by contacting the individual campground.

MAPCO was formed four years ago to improve the quality of privately-owned campgrounds. All members are licensed by the Michigan Department of Public Health and are dedicated to truth in advertising.

New Campsite on Manistee

A new state forest camp ground will open March 30 on the Tippy Dam backwaters of the Big Manistee River with an overnight fee of \$1.50.

The new facility was opened by the Dept. of Natural Resources in a special move to accommodate the steelhead fishermen this spring.

Despite the recent change in weather, steelhead runs have already started to push into the Tippy Dam area.

The campground has 32 individual sites each featuring a table and fire circle. It can be reached by traveling 3.5 miles east of Brethren on Coates Highway and then south on Dilling Road for 2.5 miles.

Bloodmobile At C'ville

A Red Cross bloodmobile will be at Clarenceville High School, Middle Belt between Seven and Eight Mile Roads in Livonia, Thursday from 2-8 p.m.

It will benefit the family of Henry Peterson who died of injuries suffered in an auto accident last week.

Prospective donors may contact the high school for an appointment.
