## NORTH SIDE NEWS

MRS. HARLEY DIX  
Phone Mayfair 6-3732

Ralph and Ray Porter, sons of the Edward Porters of AlyceKay, were guests of Mr. Joseph Williams of Highland Park at Edgewater Park last Sunday.

Mrs. Howard James and daughter Carol, of Standish, spent last week at the home of her daughter, Mrs. Harley Dix, of Greening. They flew down to Krist Port with her son, Howard, also of Standish.

Mr. and Mrs. Arthur Thomas and children, Dick, Gloria, and Lucette, of Burbank, spent last week visiting the spots of interest around Michigan. Along with a friend, Ronald Lorenz of Bartlett, they spent a day at the Detroit Zoo and another day at Kent Lake.

Reverend John Martin, Pastor of the Methodist Orchard Church at 13 Mile and Greening, is reported to be improving and is getting that

twinkle in his eye again. During his illness, Mrs. Martin has been delivering the sermon and doing a wonderful job, too. She is to be with us only one more Sunday, September 3. Her sermon for that day will be "The New Heaven and the New Earth".

Mr. and Mrs. James Rowland of 14 Mile have just returned from an extensive trip through the northern United States and Canada. They visited Mr. and Mrs. George Melvin of Vancouver, British Columbia, and Mr. and Mrs. Herb Rowland of Meadow Lake, Saskatchewan, Canada. They spent a month visiting and motoring through such interesting places as Rushmore Memorial Park in Dakota, Yellowstone National Park, Glacier National Park, and the Big Horn Mountain in Wyoming.

Mr. and Mrs. Joseph Milton of Bartlett entertained friends and relatives with dinner at their home last Sunday. Guests were Mr. and Mrs. Ernest Milton of Dearborn, and Mr. and Mrs. Carl Kraft of Pleasant Lake.

Mr. and Mrs. Ivan Hoskinson and daughter, Rita, of Clairview Drive, spent several days last week in Ohio visiting their parents, Mr. and Mrs. Perry Brandom and Mrs. Emma Hoskinson of Zanesville. Mrs. Hoskinson returned with them and will spend some time at their home here.

Mr. and Mrs. Cyril Munn of 12 Mile Road spent a week fishing at Hunter's Point, Quebec, Canada. To reach their destination, they drove to Tippliva and made the 60 remaining miles by ferry boat. The fishing there is excellent and they caught their limit of pike, trout, and pickerel.

The Adams Calhouns and son Barry, of Clairview Drive, were vacationing the past two weeks. They spent their first week at a cottage on Big Star lake near Baldwin and their second week at his parents', Mr. and Mrs. Charles Calhoun of Lefroy, Michigan.

Barbara Snyder of Windsor, Ontario, Canada, the niece of Mrs. Ford Giroux of AlyceKay Road, was a week end visitor at the Giroux home.

Miss Esther Hupert of Orchard Lake Road and her friend, Miss Mabel Flick of Hathaway Street, spent a week vacationing in Erie, Pennsylvania, at the home of Mrs. Edward Papsun, Miss Flick's sister.

## SUNSHINE LADY ASKS PRAYERS FOR SHUT-INS

"Oh come, let us worship and bow down; let us kneel before the Lord our Maker. For he is our God and we are the people of His pasture and the sheep of His hand." (Psalm 95: 6-7.)

Ask Him to help our neighbor, Robert Barnes, who is very ill in the Kenny Pollo Center, Telegraph Road, Pontiac, and to look after his little family on Pearl Street.

Ask Him to help Mrs. Margaret Squires, 12235 Langscape Avenue, Detroit 22. At 75, she is without a home. The winter months do not look very bright for her.

God give us wisdom and knowledge, that we may know the right words to say and brighten the lives of such wonderful folks as Louise Gamey, N193; Fran Blay, A302; Mrs. Emma Walters, Mrs. Clara Tozer and Miss Myrtle Lang, at the Wayne County Hospital, Eloise, Michigan. Their hours shut-in have been long.

Mrs. E. San Drett, 11336 Sloux Avenue, Detroit 28, lost one of the multitudes who do not understand why a loved one must be taken away.

Mrs. Millie Goodman, 10000 Geddes Road, Ypsilanti, Michigan, is another who would like to hear from friendly folk. She is a shut-in and it has her children on the Pat and Johnnie show August 24.

Mrs. H. Burkett, 1120 Owana, Royal Oak, was returned to the hospital again last week. She is a shut-in of years standing.

Mrs. Mildred Marquis, 29039 E. River Road, Grosse Ile, Michigan, goes through many a lonely day in which a card or note could cheer her so much.

Olds and Ends: Doctor's orders are I must let up writing for a few weeks if I wish to save my right eye. Eddie is the same. He is not in bed now, but must still take it easy. Ralph got home sick, and, without my knowing it, came home.

Through the kindness of others he made the trip in five days on \$1.25. His health is very bad, and now some how I must get him back to Phoenix in time to start school.

Dr. Max Kalder, a Plymouth Road dentist, has no trouble with his little patients. He writes a special prescription for children who behave in his dentist's chair. B. J. Reynolds fills each prescription with an ice cream cone. It works wonders.
