Council Discusses Member Election

The Student Council weekly meeting was held Wednesday, January 16, and was opened by the vice-president, Elmer Rousseaux. Election for new student council members was the first topic that was brought up. The motion for an assembly for the benefit was carried by a unanimous vote. Student council members attending the league meeting at Clarkston Wednesday, January 9, were Pat Brynes, Walter Christensen, Barbara Alnsworth, Russell Robitaille and Karen Russell.

Changing the noon programs was discussed. Meetings on Mondays, Wednesdays and Fridays, there will be basketball. Main topic of the meeting was the issue of the spectator's bus. Not enough students have been using the bus to get to games away from Clarencville. Because of this the service will be discontinued unless at least fifty students sign up to pay the ten cent fee. Having a pep assembly on it was discussed and the meeting was then adjourned. P. P.

G. A. A. GIVES SPORTS ASSEMBLY

The Girl's Athletic Association of Clarencville High School presented an all girls assembly in the school gymnasium on Friday, January 11, at 1 p.m. The purpose of this assembly was to encourage more girls to join the organization and further interest in girls' sports at Clarencville.

The assembly was opened by Beverly Shaw, vice-president of the club, who explained the point system whereby each student could become a member and introduced the various sport demonstrations given by the G. A. A. girls.

Meribah Meyer acted as mistress of ceremonies and introduced the speakers. Miss Betty Myers, the sponsor of the G. A. A., gave a short talk in which she cordially invited the students to become members of the club and share in the fun and experience membership in the G. A. A. would offer them. N. M.

Homemaking Class Panel Discusses 'Divorce' Topic

Mrs. W. Munimery's Personal and Family Living class members held a panel discussion on the topic "Divorce" recently.

The Homemaking III senior girls are cleaning the kitchen cupboards and are getting ready to cook.

Homemaking II juniors and sophomores are working on clothing construction. They are on the last stitches of finishing their garments. The seventh grade girls in activities are busy working on making grooming caps. J. C.

TROJAN CAGE RESERVES BOW TO HOLLY 40 - 27

The Clarencville Reserves were defeated by Holly, 40 to 27, in a hard-fought game at Clarencville last Friday.

At the end of the first period Clarencville led 6 to 4. In the second period Clarencville was held to six points while Holly scored 11 points. At the end of the first half Holly led 15 to 12.

For the first three periods Clarencville and Holly played quite evenly, but Holly scored 13 points in the last period to clinch the game. In the third period Holly outscored Clarencville 12 points to 10. The score at the end of the period was 27 - 22 in favor of Holly.

The game broke open in the fourth period when Holly scored 13 points while holding Clarencville to a mere 5 points. The final score was Holly 40 - Clarencville 27.

High point man for Clarencville was Jim Merriams with nine points, followed by Meyers with seven points. The rest of the scoring was done by Pat Killeen, Jack Phillips and Clay Robbitts with four points each. H. G.

Editorial

Next week, students of Clarencville will be taking their exams, January 23 and 24 are the dates.

Do you hate exams? Are you afraid of them? You really can't give me one good reason. Exams are not that important. Your grade on most of your exams will count only one-fourth of your total semester grade.

Even with this fact in mind, you will still see students with their faces in books, staying home nights cramming for this exam or that, studying in study hall for a change, or paying attention in class.

If you haven't paid attention in class, or studied before, these last few days of work aren't going to help you much. No one can take a week and make up the work of a semester. Besides, what is an "A" or a "B" or an "average" to do when its counted up against a "D" or "F" average? Most teachers would not consider your exam mark as a sign of effort. They would rather see your burst of effort spread out through the whole year.

I'm not trying to keep you from studying for your exams, for I'll be studying for mine, too, but I am trying to point out to you, that if you haven't looked at the book so far this year, you start now just because of exams? You won't learn much.

Since it's a little late to make a New Year's resolution, let's make a new semester's resolution. That of studying and trying to learn from January to June, not just an other burst of energy in June. OK! A. A.

Senior Hi-Lite

Aha, this week we have it. Yes, it's the Elina Hagen, better known as "Blackie" because her hair is the blackest I've ever laid my eyes on. She has hazel eyes and stands 5' 6 1/2" from the ground. She will be 18 full years in May and was born in Marlette, Michigan.

While I was interviewing her, I spelled her name wrong. So she then told me her pet peeve was people who couldn't spell her name correctly. Homemaking is the favorite class with this gal and Mrs. Mann was her favorite teacher before she left Clarencville.

When Elina graduates from school this summer, she and a few senior friends are going to join the Air Force to become nurse cadets. I, myself, am kind of wondering about this, yet she says she has no special reason but to serve her country. She likes the color green, but the Air Force uniforms are blue, so she's kind of undecided on which she likes best. Elina's best friends are Mary Compagnon and Nancy Hawkins, and her favorite song is "Rag Mop" sung by television star Jimmy Nelson.

She has attended Clarencville Schools for nine years. She is truly making Elina a Clarencville senior Hi-Lite. J. G.

Our Senior Hi-Lite for this week is a young lad of average height, 5' 11", average light brown hair and a pair of blue eyes. He tells me that he loves french fries and fried chicken (sounds good) and despises sauerkraut. As far as school is concerned, he thinks "it's swell" because he likes all the dances and watching the football and basketball games and regularly attends them. This lad is Ralph Gatzel, of course. Right now Ralph is looking for a job and concentrating on playing the field — "None of that, steady stuff for me" or at least that's what he says now, but I bet he will change his mind pretty soon. He enjoys typing class and thinks learning to type is a snap! Ralph is looking forward to the Senior trip, coming up in the spring, and all the other activities during this time besides that ever-important moment of graduation. What is Ralph's pet peeve? "People who don't pronounce my last name right!" What is his favorite color? He's a boy, so naturally it's blue. Guy Lombardo is his favorite orchestra leader, and Tony Bennett and Doris Day are his top vocalists. The record that rates highest with Ralph is Sarah Vaughn's rendition of "Sin". Ralph's plans for the future are, of course, to graduate, then to get a good paying job, and next to talk his dad into buying a brand new car so that he can spurn his gal friends around town in fine style. So I guess we'll end this Senior Hi-Lite and wish Ralph the best of luck in the future. M. M.

Reserves Nip South Lyon 22 - 21

The Clarencville Reserves defeated South Lyon 22 - 21 in an exciting contest Tuesday, January 8 at Clarencville. Clarencville scored five points in the first period while holding South Lyon scoreless.

Clarencville added six points to the lead in the second period while holding South Lyon to a mere four points. At the end of the first half

Clarencville had an 11 - 4 lead over the South Lyon team. South Lyon overtook Clarencville in the third period while scoring eleven points and holding Clarencville to three points. In the fourth period Clarencville bounced back with eight points, while South Lyon made six, and won by the close score of 22 - 21.

High point men for Clarencville

were Jack Phillips and Jim Merriams, each scoring six points. Galoway and Robbitts were next with four points each. Killeen scored the other two points. H. G.

Regardless of what kind of fuel is used, smoke can be eliminated through proper firing and proper equipment.

The greatest fault of a penetrating wit is to go beyond the mark.

IN BITING, WIND AND COLD AND SNOW... his numb fingers bent around an M-1 rifle... this soldier is living with the same hardships suffered by General Washington's troops at Valley Forge 174 years ago.

His equipment is immeasurably better than any those first Yankees could have dreamed of. His chances of survival are equally improved. But, like them, he is doing a grim, hard job for the defense of his country.

Defense is your job, too. It is your job to maintain and support America's economic strength as this soldier is supporting her military strength.

It's an easy job... and one of the best ways to do it is by buying United States Defense Bonds regularly. For with bonds and other forms of savings you are making your self and your country stable and strong. And America must be kept strong — economically as well as militarily. For we must always remember... in this cold-warring world, peace is only for the strong!

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

Peace is for the strong...
Buy U.S. Defense Bonds now!
