APPOINT COMMITTEE TO PROBE COST OF GYM CURTAINS

The Clareneville Student Council held a meeting Wednesday, January 16. President Wally Christensen opened the meeting. Winifred Mummery and homemaking girls make curtains for the gym for movies. They made a motion that a committee of two would look into the cost. The committee is Karen Russell, chairman, and Pat Byrnes.

Wally Christensen gave a report on the league meeting at Clarkston January 8. There was a report on noon programs from other schools in the league. A committee was chosen to set up a better noon program for our school. The committee members are Ruth Robertson, Russ Robitaille, Pat Byrnes, Elmer Rousseaux and Annie Allan. The noon program suggestions are to have volleyball tournaments, new records, square dancing and movies. They also discussed the spectator buses again. They have to have at least 50 people or they will not take the bus.

Girls' Volleyball Teams Play Three Games

"A cloud of dust and a hearty yeh team." What in the world? Well, the cloud of dust was the Junior girls and the yeh team was for the Sophomores. Why you ask? It seems the Toasters volleyball team defeated the Giggle Geeses, in a rematch, last Tuesday by the score of 29 - 25. The Juniors took the lead in the first quarter, only to have it jugged throughout the second and third periods by the tremendous exhibition of playing by both teams in the fast, tense and well-rounded battle.

Stert, Lynch, Cashman, Doyle and Wellman held the spotlight in the Sophomore court for their showmanship and teamwork, while the Juniors did equally well with players Melton, Allen, Robertson, Giguere and Shaw. In the last six minutes of the game the Juniors overcame a ten point lead to produce another victory for the Toasters.
