IT AINT NO SECRET --

Jest ask us and we'll show yuh where it's printed in black and ink that all meat sold in Oakland County has gotta be government graded by either a federal, state, or county inspection. The question is — WHAT'S IT GRADED? — prime, choixe, good, commercial, cutter or canner. Now this applies to be and prime and choice are the top notchers. There's gotta be a difference or the government wouldn't mess around with all flose different grades. We could go on and on about this but duvertising is kindda expensive so we'll jest tell yuh that we got some U. S. choice beef and we're havin' some pot roasts fed 66c a lb. this week end. Better gitcher pot hotted cause you'll be wantin' one. Then we got some choice round steak fer 99c a lb. In the pork department there's some rib end pork loin roasts fer 35c a lb. or fresh pork butt roasts fer 49c a lb. If yuh like center cut chops they're jest 69c — and our own pork sausage fer 3c a lb. That's a lotta eatin' fer this week end — doncha think?

KE. 1-1855

We're gonna give yuh another whirl at those Booth's frozen strawberries this week end fer jest 35c a package. If you aint tried 'em you're really missin' somethin' — and we aint kiddin'. Then we got some Old South orange juice whatcha can git 2 cans of fer only 35c. Course if you'd rather have tomato juice we got that in a 46 oz. can fer 25c — and it's Defiance tomato juice, too! You know since television pop corn has really popied to the front. We never sold so much before — course it's toughton Ma — she's gotta miss the program to pop the corn — but lives she don't mind. Anyhow we've got 2 cans of Defiance pop ynn fer 35c this week end — and to clean up the mess there's this jew Trend soap that's 2 boxes fer 35c. Now that we've got everyt aing all cleaned up we might as well go home. — so long now. up we might as well go home — — so long now.
