WHATCHA DOIN??
Whydonda come on down and chip yer teeth with us fer a spell? It's kinda quiet around here right now and if yuh aint got nothin' to do we might break down and letcha help us throw some cans on the shelf. Seems like on Mondays and Tuesdays our shelves got an awful lot of holes in 'em. Guess that's good, huh? Well, this week we kinda thought maybe yuh'd like to put a few things on yer shelves fer future use and we got some Southern Star Bonita that tastes like tuna, looks like tuna, but it's only a member of the tuna family - and you can git a can fer 19c. Then we also got some Spam. Aint we lucky? Fer 45c each we sortta figger we won't have much left at this time next week. Then if yuh wanna put away a few cans of tomato soup you can git 'em fer 10c each. The last thing we wanna mention is that we have a lot of home grown, right here in Michigan, apples. There's Baldwins, and Spys, and MacIntosh and you can git 3 lbs. fer 25c. You know an apple a day keeps the Doctor away - they say - so - do you suppose 3 lbs. will keep 'em away very long?
Didcha get a steak or a roast last week? Wasn't it good?? We have some more choice beef and this week you can get more just like the last one. The round steaks are 99c a lb. and the pot roasts are 69c a lb. If yuh want fresh ground beef we got that too - fer 65c a lb. Jest to be different this week we're offerin' yuh stewing lamb at 39c a lb. Also got some lamb shoulder roasts fer 69c a lb. and shoulder chops at 89c per lb. Then in our new dairy case there's some Creamo oleomargarine that is made with 4% cream and people bin tellin' us it's real good and we gotta keep stockin' it. We'll have as many brands of oleo as Heinz has pickles pretty soon. But to git back to this Creamo, we're gonna tempt yuh with a 25c a lb. price on it this week end. Try it and let us know how you like it - will yuh?
