

Admit Journalism Class To Quill And Scroll

On Wednesday, February 27, the Clarenceville High School Journalism class received a letter from the executive secretary of "Quill and Scroll", International Honorary Society for High School Journalists, informing them that the school journalism class had been accepted into their membership and will now be allowed to start a chapter.

A charter, which is to be framed, will be sent along with a copy of the Chapter Chronicle.

The requirements for being a member of the club are as follows: A student must be a junior

or senior and must hold a "C" average with an especially high average in journalism.

Clarenceville's advisor for the school paper, Miss Norma Cooke, and Annie Allan, editor of the paper, have been hoping and working for the school's membership along with many other journalism students.

We don't realize all the freedom we have until it is threatened. Our boys are in all parts of the armed forces and stationed all over the world. We should be proud of them.

The Trojan Banner

Editorial

You have probably read, by this time, that the journalism class has been accepted as a member and is eligible to organize a chapter of the "Quill and Scroll" Honorary organization for journalists. Yes, the journalism class that writes for the Trojan Banner and puts out the Kampus Krier has been accepted to this honor. This is fine and all of us are very proud, but what does this mean to you, the average student of Clarenceville who is not a member of the journalism class? It means very little, doesn't it? Is this the reason why so few of the students have congratulated the class or one of its members?

The journalism class is not the only organization that has suffered from the students' lack of appreciation. What about our debaters? The debate teams this year have worked hard and as a result of this hard work were eligible for the district regionals, where they won and lost. Although they didn't come near winning the state finals, they still deserve congratulations and encouragement.

What about our Reserve basketball team which won 7 games and lost 7 games? How many of you have told the boys about their fine playing and good record? Not many of you, I'll wager.

Why? Why don't we as students appreciate the good work of our fellow students? Why don't we give good work go unappreciated? I don't know the answer, but I do know a solution. Try it, will you? Give them just a word of encouragement. A.A.

LEAGUE G. A. A. MEMBERS MEET IN HOLLY SCHOOL

The All-League G.A.A. meeting was held at Holly February 27. The Clarenceville G.A.A. sent Annie Allan and Betty Gourlay as their representatives along with Miss Betty Myers, their sponsor.

There are seven schools in the league. They are Clarenceville, Milford, Northville, Holly, Clarkston and Keego Harbor. Each school sent two representatives and a sponsor to attend this meeting. Keego Harbor and Brighton were also invited but were unable to attend.

They discussed their sports day to be held at Clarenceville May 23. There will be eight sports offered. Twenty girls from every school in the league will attend. They also discussed a soft ball day to be held at Milford May 7. Fourteen girls from each school will attend this affair. There will also be refreshments served after the girls are through playing.

The idea of the league meetings and play days are to promote good sportsmanship and good will between the schools.

Senior Hi-Lite

Do you see what I see? Why, it's none other than ye ole Albert Cook. Albert is 12 years old and is 5' 2" tall, at least that's what he says, but Joan insists he is 5' 9 1/2". Oh, well, let's compromise and say 5' 9 1/4". His favorite subject is American History and favorite teacher is Mr. McKittrick.

Albert's hobby is going to the National Guard. That's a hobby? It seems more like work to me, but then everyone has different tastes. Speaking of tastes, his favorite meal includes steak, that's okay if you are Mr. Vanderbuilt. While Mr. Vanderbuilt, I mean Albert, is enjoying a nice meal he likes to listen to his favorite singer, Eddie Fisher, and hear a platter "Stardust".

If there is a movie showing with Betty's "Crash", he goes and sees it about five times.

Albert's girl friend is Joan Wellman, who is also a noble senior. Some pastime, huh?

His future plans include Uncle Sam. When Albert graduates he plans to join the Army. Let's hope by then there won't be a need for more men. M. C.

"You're wanted," whispered Mr. McKittrick in a very reassuring voice.

"Oh, no!" she thought, "that girl from the paper is after me again. Out of all the girls who write Hi-Lite, I have to get her?"

As I waited patiently for her at the study hall door I noticed she looked nervous but I was greeted by the usual "Hi, kid", so I guess she'd decided to be nice to me anyway.

She stands 5' 6" tall and is 18 years old. Her most distinguishing features are her brown hair and pretty hazel eyes. She is usually seen with Elzora Hazen and Nancy Hawkins down at Farmers eating french fries. Let me give you one last hint; her name is Mary Alice Coupeau and she's a good looking senior girl.

She loves to go to the show and Gregory Peck is her favorite male movie actor with Gloria DeHaven rating highest in the female division. She loves to strain her eyes it seems because when she isn't at the show, she's home watching Milton Berle and Bert Parks on TV.

As far as school goes, she likes her homemaker class and she dislikes English Composition, which isn't very unusual. She intends to become a comptometer operator when she graduates if she doesn't get married beforehand.

Mary likes swimming, bowling and skating, and she can't stand brush-cuts on these juvenile high school boys. There are many who agree with her. She looks good in blue and likes to wear skirts and blouses. "Slowpoke" is her favorite record and Tony Martin and Doris Day are her favorite vocalists.

She said she didn't know what the happiest moment of her life was, so I guess it's yet to come. Could it be graduation day?

ALUMNI NEWS

Don Jones, who is in the Air Force, came home to visit some of his old classmates before leaving for Japan last Saturday, March 1. Don, if you see Hank Albers or some of the other fellows, say "Hi" to them from the kids of C. H. S.

Private Fred Sinclair is stationed in Mississippi and Bob Rousseaux is in Japan with the Marines. Bob Lee is in Korea also doing his part in the war. There are many boys from Clarenceville and Farmington in our armed forces giving their lives so that our freedom will be protected from those who try to take it from us.

Exchange Students To Visit Schools

What's all this about the exchange students everyone is talking about? What are they for? What is the purpose of them? That was the main topic of the Student Council meeting which was held Thursday, February 28, during the seventh hour. There were five students elected at that time to represent Clarenceville.

They are Elmer Rousseaux and Russell Robitaille, seniors; Chuck Edmonds, junior; Pat Stord, sophomore and Richard Robitaille, freshman. At some time this spring, these people will journey to Clarkston High to find out their proceedings of the day. They may go in any class they choose, and look around the building if they would like to.

Variety Show To Appear At Milford And Holly

Do you remember the All-League Talent Show that was held here at Clarenceville about two weeks ago? Well, there is going to be another talent show, and it will be held in Wayne Oakland County. This Variety Show will be much larger than the All-League Show was, also the competition will be stronger.

Five schools will be participating in the Variety Show, and representing Clarenceville will be the Sextet and that wonderful tap dancer Joy Garbin. There will be two acts from each school.

The Variety Show will be held March 10 at Milford High School. The master of ceremonies will be chosen from Milford. All five schools will be received graciously there, and lunch will be served. If the Variety Show is as good as the one held at Clarenceville, the Milford and Holly students will have something to talk about for a while.
