LOWEST PRICED IN ITS FIELD

This beautiful new Styline De Luxe 2-Door Sedan fits many Chevrolet models - fits for less than any comparable model in its field. Continues its standard equipment and trim. Illustrated is dependent on availability of material.

4-WAY ENGINE LUBRICATION
Chevrolet's exclusive engine lubricating system supplies exactly the right kind and amount of lubrication to each moving part.

CAST IRON ALLOY PISTONS
The same material as the cylinder block, pistons expand and contract at same rate. This reduces wear, lowers oil consumption.

SAFETY PLATE GLASS ALL AROUND
Chevrolet alone in its field gives you safety plate glass in windshield and all side windows, for a clearer, truer all-round view.

POWERGLIDE AUTOMATIC TRANSMISSION
Simpler with fewer parts to wear. Smoother, less complicated intermediate gears. Optional on De Luxe models at extra cost.

MOST POWERFUL VALVE-IN-HEAD ENGINE
Teamed with Powerglide is the most powerful valve-in-head engine in its field and an outstanding performer in any field.

Only the New Chevrolet brings these fine features to the low-price field!

Center Disc Brakes
Vibration and power impulses are "checked out" as engine is centered and rubber-cushioned between new high-side mountings.

LARGEST BRAKES
Big 11-inch brake drums apply more leverage for more stopping power. Stops are smoother, safer, with less effort.

WIDEST CHOICE COLOR RANGE
26 rich new colors and two-tone combinations - widest choice in Chevrolet's field. New De Luxe interiors are color-matched.

WIDEST TREAD
Chevrolet measures 58 3/4 inches between centers of rear wheels - a broader base to give you more stability, less sway!

No other car in Chevrolet's field offers you a single one of these features. Yet you'll find many of them in America's most costly cars. Here's proof that you're value ahead with Chevrolet. Again in 1952 the lowest-priced line in its field! Look in and look it over. MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

CHEVROLET The Only Fine Cars PRICED SO LOW!
