U-M FIVE WEEK THEATRE SEASON OPENED MAY 13

The University of Michigan drama season, which each year brings the stars of the theatre world to the stage of the Lydia Mendelsohn Theatre for five weeks, started May 13.

On May 13 the season's curtain rose appropriately on "Goodbye, Mr. Fancy" by Fay Kanin, with Sylvia Sydney in the leading role. Appropriately, because this recent Broadway hit has to do with a college campus. With standup comedian, Dorey, lively comedy.

First and last, it's a comedy. Dorey, lively comedy. Sylvia Sydney takes the part of Agatha Reed, an enlightened Congresswoman who is an author. Kanin puts it parenthetically in her script, "the best thing that's happened to the United States in a long time."

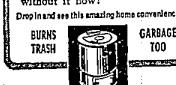

The comedy runs all evening in Ann Arbor, May 13-17. Evening shows start at 8:30; Thursday matinee at 3:15; Saturday matinee at 2:30.

"No Messy GARBAGE Cans in Our Backyard"

...since we installed the
Majestic
INDOOR INCINERATOR

"No longer any need for the messy, old garbage can! Now we just put all household refuse—garbage too—in our Majestic Indoor Incinerator in the basement and leave it! Unique downdraft feature does the trick. This convenience ends unpleasant trips to the backyard garbage can and trash burner in all kinds of weather, too! Yes, we made a wise buy—just couldn't get along without it now!"

Hello again—how's your school "springing"? You don't expect any sympathy from me, 'cause I feel a lot worse than you do. I'm six feet two in stocking feet, and every sensitive inch of my body is like the Detroit Lions' line has used it to clean their cleats on.

It's good to see you out of doors again, and working like beavers to pretty up that house and lot. I've made and kept it that way. Glad to see you exhibit your pride.

You know, so many people take real care of their homes and property that everyone takes it for granted. That is, until they get a long look at some slovenly-appearing place that is unkempt and ill-cared-for. It's a shame that out of every group of people, some people there has to be one or two who don't care how things look—who can't be shamed into doing better—who insist on being selfish. I guess that's about enough philosophizing for today.

If you haven't already received notice of the spring dance, you will be getting the informative sheet this week. Soon thereafter someone will see you about buying a ticket, or two, or three. Form your own little group of close friends and relatives and like yourself out to Glen Oaks Country Club on May 23. That's only a week from next Friday, so make

4-H Club Girls Active In Clothes Making

4-H Club girls have set a new record in clothing work at home. Notwithstanding that many of the girls help cook, launder, do housework and other chores, as well as attend school, 650,000 of them taking part in the National 4-H Clothing Achievement program made or repaired 2 1/4 million garments for themselves and their families last year.

In a closely related activity, the National 4-H Dress Revue Program, more than 220,000 girls modeled garments—ranging from school outfits to formal gowns—they had made as being the most expressive of their personality.

Both the 4-H Clothing Achievement and Dress Revue programs are being conducted in this and every state for 1952 under the direction of the Cooperative Extension Service.
